Dear Parent / Carer

I would like to take this opportunity to thank you for your help and understanding through this challenging time. We will endeavour to provide as much support as possible for pupils, parents and the community.

Updates include:

Booking

It would really help us if Parents / Carers could identify when provision will be required. This includes Breakfast Club and Arnie's. Just inform the office which days will be required and we can formulate a register so staff know who to expect and when to provide cover.

Easter holidays

School is offering to provide cover during the Easter holidays. Again, please inform the office if this is required and we can organise staffing accordingly. Class teachers will be setting less online homework during this period.

Resources

If your child requires provision, please could they bring in their home learning pack to work on or any resources they have been developing.

Staffing

To reduce the number of adults in school, we will be operating on a rota system for provision. If we ever get to a point whereby we have insufficient staffing levels, we will have no choice but to temporarily close and alternative arrangements will be put in place for your child to access provision at a nearby cluster school.

Communication

This is key during this period and we will utilise a range of resources. Class teachers can be contacted through Class Dojo and work can be emailed back into school using a designated class page.

Structure

We encourage Parents / Carers to put a basic structure in place for the day and this will help pupils organise their time and understand expectations. The basic timetable for school provision is:

| | |
|--------------------|--|
| 9.00 – 9.30am | Registration & 'active warm up' |
| 9.30 – 10.30am | Curriculum focus (Maths, English & Science activities) Home learning packs / online homework |
| 10.30 – 11.00am | BREAK |
| 11.00 – 12.00 noon | Curriculum focus (Maths / English / Science activities) Home learning packs / online homework |
| 12.00 – 1.00pm | LUNCH |
| 1.00 – 3.15pm | Arts / Crafts / Technology / Outdoor learning (school grounds) etc. |

This will vary from day to day and is **not** formal education.

Thank you once again for your understanding. Take care and keep yourselves safe.
