Thank You's

Firstly to the superb 'FOANS' committee for organising the outside tap, I can't thank the team enough for their kindness and support. This tap will make such a big difference to the club enabling the children to water their plants and seeds in the front garden. Arnies have grown cabbages, carrots, purple sprouting broccoli, peas and tomatoes this summer, the club are all very enthusiastic gardeners and i'm proud of all of them. From growing seeds and looking after our other plants the children have noticed all sorts of creatures and insects entering the garden. Thank you 'FOANS' Also a huge thank you to all the parents and children that gave Julia & I gifts and cards at the end of the summer term. They were displayed on my piano and I have enjoyed reading and looking at them all summer, they gave me and my family such joy and please Thank you!

Mrs Cherry and the boys for the broccoli plants, it was so kind of you to share the plants with Arnies.
