

ARNIES AFTER SCHOOL CLUB

NEWSLETTER

Summer Term 2019
15th Apr - 24th May

Welcome Note

First of all a big apology for the late delivery of this Newsletter, but we are on track now and the children have been very busy already this term. In the first week we tidied the Arnies gardens, cutting back and de-heading the daffodils, weeding and brushing. Also we have planted lettuce, basil and other salads for the children to watch growing, and already the shoots are up, due to the wonderful sunshine and April showers. The club has enjoyed trips to the field, rounders and fun on the play park, plus a very special day received by Lily Stephens, as she was our star chart winner for last term. She chose to have a day of dressing up, playing party games and watching The Greatest Showman, dining on homemade pizza and homemade chocolate cake. Also the children have produced some fabulous paintings that are on show in the hall, please find time to admire their work, the thought and time they put into these picture has certainly paid off (well done team, I am so proud) 😊

This Term's Planning (Chosen by the children)

Baking, Treasure Hunt on the beach, planting, Harry Potter day, dressing up challenge, Arnies Sports Day, Beach walk - Fossil hunting, Life drawing, Picnics, Rounders on the field (girls vs boys), Maypole dancing, Learning Morris dancing, Exploring in Ashmeadow, Designing Sculptures for the Arnies garden ready to use next term, Designing collages with vinyl as permanent fixtures for the Arnies garden.
