RE: Parent's evening Spring 2022

Dear Parent / Carer,

Before half term, we would like to arrange a mid-year progress review for your child/ren. This will be an opportunity for class teachers to discuss your child's progress and pupil well-being. Due to the extremely positive feedback, we will be holding a virtual parent's evening via live video link software. We will again be using SchoolCloud as a platform to plan, book and hold video appointments. Appointments will be available on:

Tuesday 1st February & Wednesday 2nd February, 3.30 – 6.00pm

Parents will be able to log in using their email address and child's details, and book an appointment with the relevant class teacher/s (in classes of more than 1 teacher, both will be connected to the appointment). Up to 4 people can be connected to a single appointment but each person requires a separate log in. On the chosen afternoon of parent's evening, the site can be used to access a video link to connect with the class teacher/s in school. The appointments are timed and cannot over-run, ensuring all parents / carers are connected at their booked time. If further discussions are required, class teachers will arrange an additional session. If you do not require an appointment or cannot make the designated days, you can still log in to the system and record this.

Any device with a camera / microphone can be used i.e. phone, tablet, laptop or PC.

Also attached, is the help guide which directs parents / carers through the process. The system is planned to go live from Tuesday 25th January. You will not be able to book appointments before this date. If you have any problems, please contact the school office.

The address to log in to is: <https://arnside.schoolcloud.co.uk/>

Thank you for your help and support,

Mr Sharp
