For adults, volunteers and visitors

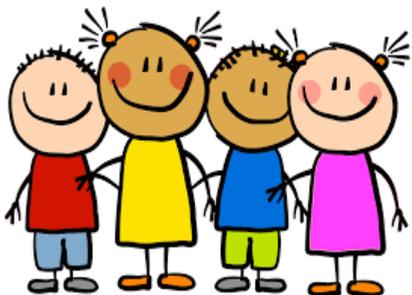

## Safeguarding children procedures

As a visitor to the school, either as a volunteer, contractor or someone who is working with our children, it is important that you are aware of our safeguarding procedures.

Our children's wellbeing is our highest priority. It is important that all adults in school know what to do if they have any concerns about a child and avoid any situation that may put a child and themselves at risk.

There may be times when you have cause for concern. This could be due to marks or bruises, something a child says or the condition that they are in at school i.e. hungry or lacking personal hygiene. You may be approached by a child who wants to talk to you about something that has or is happening to them.

*Children tend to choose someone they trust or know well.*

**In every case, you should discuss concerns with one of our designated safeguarding leads:**

### Designated safeguarding lead

Mr N Sharp—Headteacher

head@arnside.cumbria.sch.uk

### Deputy safeguarding lead

Ms J Piper—Deputy Headteacher

### Safeguarding Governor

## Disclosure from a child

- *Stay calm and controlled*
- *Be prepared to listen*
- *Do not make judgements*
- *Do not show revulsion or distress*
- *Do not make any promises*
- *Do not promise confidentiality. Make sure they know you have to report concerns to people who can help*
- *Make sure that names and details are not revealed to anyone outside school*
- *Reassure the child that they have done the right thing to tell*

If you are approached by a child wanting to talk, you should listen positively and reassure the child. Find a quiet place to listen and make sure you tell another adult what you are doing.

Dealing with issues of child abuse can be very distressing but it is important to remember that children's names and details must remain confidential.
