

## **The Big Spring Spruce Up, Saturday 25th March 8am-4pm**

Can you spare an hour or two to help us spruce up our children's learning and play spaces?

The Friends of Arnside National School are coming together to tackle a list of jobs around Arnside School and its grounds this spring and we need your support!

Any offers of time and skills, or donations of supplies and materials will be appreciated and help make a big difference. Please do share with family and friends in the wider community who might like to get involved.

The kettle will be on with yummy treats through the day to keep our energy up as we spruce up our school.

Do you think you can help? Please pledge your support [here](#) to help us plan.

### **Some of the jobs:**

- Creating a calm 'quiet area'
- Fixing wooden planters
- Planting and pruning
- Creating a new wildlife area
- Shed assembly
- Sorting and labelling PE equipment
- Window cleaning
- Outdoor light refixing
- Wooden gate & fence repair
- Wall repointing
- Cleaning play equipment
- Repositioning play equipment
- Painting
- Tip runs

### **Supplies we need:**

- Bedding plants for multiple areas
- Wooden planters & materials to repair existing
- Planter linings
- Compost
- Gardening tools
- Cleaning equipment incl. buckets, scrubbing brushes and cloths
- Paints

Thank you for your support
