

School Council Minutes

3.12.2020

The minutes of the 26.11.2020 were read and approved.

This weeks questions are on geography requested by Mrs Scott.

Question 1: What is your favourite thing about geography?

(Y6) Lily Mae: Our favourite things are playing 'Globe catch' (Game), doing interesting research about other countries, co-ordinates and the general question and answers.

(Y6) Ewan: My class enjoy learning about different countries, where we are using longitude and latitude.

(Y5) Jess: We enjoy learning new facts about our world, volcanoes and nature. We also like learning one thing at a time.

School Council Minutes (Continued)

(Y5) Philippa: My class like learning new facts about different places, like looking at various countries and what they do differently to us. Also hearing about natural disasters and presenting the work in our books.

(Y4) Melissa: We enjoy learning new things about maps and map symbols, looking at the world and its human and physical features.

(Y3) Seb: We like learning about new places, knowing new things about different countries, continents and the world.

(Y3) Lily: We enjoy learning about rocks, the world, various countries, what different world life is like and how plants grow.

(Y2) Jamie: We don't know what geography is.

School Council Minutes (Continued 2)

Question 2: Can you remember a geography lesson that you have really enjoyed? What did you do in it?

(Y6) Lily Mae: My class enjoyed doing long- latitude, finding the equator, topic of cancer, looking at co-ordinates and using the atlas.

(Y6) Ewan: We enjoyed looking at long- latitude and geo- casing.

(Y5) Jess: My class enjoyed learning about earthquakes, volcanoes and other natural disasters.

(Y5) Philippa: We enjoyed learning about volcanoes and we labelled them and described them. We have also enjoyed all geography lessons because they are fun and interesting. In year 3 we studied about tectonic plates and did experiments on them.

(Y4) Melissa: My class enjoyed looking at different maps of various ages and human and physical features of the world.

School Council Minutes (Continued 3)

(Y3) Seb: We enjoyed learning about the continents and learning a song, looking at using the atlas finding different countries and looking at the population of places.

(Y3) Lily: My class enjoyed learning about the different continents of the world and learning a song.

(Y2) Jamie: We enjoyed colouring in maps, cutting out words and sticking the words on a map.

Question 3: What would you like to do more of in geography?

(Y6) Lily Mae: My class would like more research, co-ordinates, states and countries and creating powerpoints.

(Y6) Ewan: We would more looking at volcanoes, geo-caching, looking at the history about different places and learning some of the countries language.

(Y5) Jess: My class would like more educational drawing on maps and volcanoes, cutting and labelling, learning more cliffs and the world.

School Council Minutes (Continued 4)

(Y5) Philippa: We would like more geography lessons, like to learn more about natural and physical geography, we would like to compare countries and look into rocks and minerals.

(Y4) Melissa: My class would like more compass lessons, more facts about different countries and our architecture.

(Y3) Seb: We would like more lessons on the equator, different countries transport, using the computer and we would like to work out side the classroom.

(Y3) Lily: My class would like more lessons on temperatures, oceans and seas, animals, how to look after the world, the continents and nature.

(Y2) Jamie: We would like more lessons on Africa, Poland, the continents and countries.

MEETING CLOSED AT 12.10.
