

Year 6 Home Learning Ideas

Please complete the following daily:

- ★ Read for at least 15 minutes - This could be your library book, stage book, a book from home or even a magazine.
- ★ Practise your times tables for at least 15 minutes using TT Rock Stars. If you have limited internet access, please practise verbally or on paper.
- ★ Practice spellings from the Year 3/4 or 5/6 Common Exception Words list (remember you can find these lists in the back of your home communication book).
- ★ Choose 10 words from the Year 3/4 or 5/6 Common Exception Words lists and write a sentence using each word.
- ★ From the grid below, complete one maths, one English and one topic task per day. There is also an optional daily maths challenge.

You can always take photographs of your work and email them to Miss Broad LBroad@ashbyfields.co.uk and Mrs Ransome JRansome@ashbyfields.co.uk if you would like.

Maths			<p>Practise reading and recording the time. Read and record the time throughout the day (for example when having lunch). Vary between reading analogue and digital clocks and recording am/pm and 24 hour time.</p> <p>EXAMPLE: Lunch: 1:15pm or 13:15</p>	<p>Matching equivalent fractions activity. Use the link below (Fractions:Equality) and click 'game' to begin. Choose which level you start from and complete as much as you can.</p> <p>https://phet.colorado.edu/sims/html/fractions-equality/latest/fractions-quality_en.html</p>	<p>Make yourself some digit cards from 0-9 on scraps of paper. Create your own multiplication questions to complete at your own level.</p> <p>EXAMPLE: For 2 digit x 1 digit, select 2 digit cards to make a 2 digit number eg.2 and 6 to make 26. Select one more card to multiply this number by, eg.5. Record the calculation 26 x 5 and use a mental or written method to calculate the answer.</p> <p>You can select more digit cards to make the calculations bigger.</p>
			<p>Maths Challenge: NRICH Activity: 5 on the Clock https://nrich.maths.org/1981 Once completed click on 'Solution' (top left-hand column) to check your answer!</p>	<p>Maths Challenge: NRICH Activity: Fractions in a Box https://nrich.maths.org/1103 Once completed click on 'Solution' (top left-hand column) to check your answer!</p>	<p>Maths Challenge: Create your own word problems for some of the calculations you have answered. e.g. Mrs Ransome wants to bring sweets in for all 26 children in the class, if she wants to give each child in the class 5 sweets, how many sweets does she need to buy?</p>
English			<p>Write a News Report presenting the School Closures announced this week. This could be a written newspaper article or a script for a television or radio news show.</p>	<p>Write a story entitled 'The Unwanted Present.' Think about what the present is, why it was not wanted and what happens to it after it is thrown or given away. E.g. Does it find a new home with</p>	<p>Watch a video of Michael Rosen reading his poem 'Chocolate Cake.' This can be found easily on Youtube.</p>

				someone who really needs it? Remember the opening, build up, problem, solution and ending.	Write your own poem which you could perform in front of your family.
Topic			Check and record your pulse rate at rest and then again after exercise e.g. skipping for 2 minutes. Repeat with a different type of exercise, at another time. Write a paragraph to explain what you have done and what you have noticed about your results.	Research the benefits of exercise on physical and mental health. Make notes which you could use to help with the next task.	Create a poster promoting the importance of taking regular exercise for physical and mental health during lockdown.

Useful websites for parents that will be helpful:

<https://www.purplemash.com> Use your child's Purple Mash log on and complete different activities for all of the subjects.
