

YELLOW tasks My Instant Recall Rainbow Targets

NB: These are activities to try at home to help towards your child's maths target, these are just examples please practise in as many different ways as possible as this will reinforce and consolidate understanding of each target.

a.) To know all the number facts that make the story 7

Task: Create card games, children to match the numbers that add together to make 7. Create a story using the number facts to make the story of 7, ($7 + 0$; $6 + 1$; $5 + 2$; $4 + 3$; $3 + 4$; $2 + 5$; $1 + 6$; $0 + 7$)

E.g. There were 4 adult bumble bees and 3 baby bees in search of flowers. There were 7 altogether.

b.) To recognise the value of all coins up to £2

Task: Show children the different coins up to £2 and children to name.

Role play shopkeepers and customer, children to pay with correct coins and look at making value with different coins e.g. $10 \times 10p = £1$. Encourage children to pay in supermarkets and shops and being using the different coins regularly.

c.) To say the months of the year in order

Activity: Learn the following song and ask questions about which month comes next. Create a calendar with the children to use.

(to the Tune of "[Three Blind Mice](#)")

January, February, March,

April, May, June,

July, August, September,

October, November, December.

These are the twelve months of the year.

Now sing them together so we can all hear.

How many months are there in a year?

Twelve months in a year.

d.) To know all the number facts that make the story 8

Task: Create card games, children to match the numbers that add together to make 8. Play as a game of snap Create a story using the number facts to make the story of 8, ($8 + 0$; $7 + 1$; $6 + 2$; $5 + 3$; $4 + 4$)

e.) To know all the number facts that make the story 9

Task: Create card games, children to match the numbers that add together to make 9. Play as a game of snap. Create a story using the number facts to make the story of 9, ($9 + 0$; $8 + 1$; $7 + 2$; $6 + 3$; $5 + 4$)

f.) To answer a selection of questions based on the above yellow targets

Activity: Complete a mixture of the above activities to reinforce understanding.
