Dear Parents/Carers,

I am delighted your child is joining us in September and would like to warmly welcome you and your child to Ashby Fields Primary School.

We currently find ourselves in a very unusual situation. We would normally be planning a whole host of fabulous opportunities to introduce your child to school life ahead of them starting in September. Although this is not possible at this present time, we are very much looking forward to meeting them in September.

Should schools re-open during the Summer Term we will invite you to an open evening before the summer holiday. If schools remain closed until September, we will meet you then and prepare an appropriate induction period for your child. Rest assured we will work hard to ensure your child does not miss out because of the current situation.

You should have received an envelope which contains lots of important information to help prepare your child for starting school. Enclosed within the pack is the Admission Form for our school and we would be very grateful if you could complete and return this to the school office before Monday 1st June. Once returned, we will confirm your child's class teacher and house colour.

In the meantime, if you have any queries, please do not hesitate to contact me via email.

Yours sincerely,

Mrs Jacqui Johnson
Headteacher
