

Year 2

Autumn 1: Learning opportunities: **Wonderful World...**

Here are a variety of OPTIONAL activities which you may wish to do with your child out of school to support and extend their learning in school.

This page is designed to help families to 'Enjoy Learning Together at Home'. However, if your child would like to share any of these tasks with us, we'd be delighted to see their work.

We will continue to send home spellings, English and/or Maths and encourage daily reading.

<u>Spelling:</u>	<u>Maths:</u>	<u>Writing:</u>	<u>Reading:</u>	<u>Computing:</u>
Practise the Year 1 and 2 word lists, using games that we have learnt in school. CommonExceptionWords_Y1.pdf CommonExceptionWords_Y2.pdf	Year 2 still have access to Numbots -this helps children gain fluency in their number bonds and add/subtract facts. (Logins sent home stuck in reading folders). NumBots Motivational maths practice for schools and families. White Rose 1-minute maths app (free) is great for re-enforcing skills taught in school. 1-minute maths app White Rose Maths (whiteroseeducation.com)	Recount Recount your favourite day out or something you did in the summer holidays. Or Descriptive writing Describe somewhere you have been in the world.	Encourage your child to read regularly at home. Support them with their reading by asking questions about what they have read. Maybe talk to family members and ask them what books they are reading at the moment?	When you are out and about look for the different ways computers are used to help us in our every day lives e.g. a till in a supermarket.

This term we are learning Wonderful world...

Here are some ideas if you wish to carry out a mini-project on an aspect of this...

- Draw a picture/create a painting of somewhere you consider beautiful. Is it local, further away from where you live or abroad?
- Take a photograph of somewhere you consider beautiful and describe it, why do you think it is beautiful?
- What is good about living where you live? If you live in Ilkley can you write a 'top ten' reasons why somebody else might want to live there?
- What is special about Ilkley? Make a poster.
- Can you name and describe animals that live in your local area?

Please remember the grid is optional. House Points will be given for extra homework.
