

How to complete your UCAS Application 2022

Sign In

If you have already set up an account with the UCAS Hub

- Select Sign in
- If you have forgotten your password, click 'Forgot your password?' and follow the instructions.

Create Account

If you haven't yet set up an account with the UCAS Hub

- Select Create account and complete the short form
- Make sure your password is memorable (8 to 30 characters including uppercase, lowercase, numbers and special characters)

Do not create more than one UCAS account. When registering, UCAS will email you a code to verify your email address – copy and paste this code when asked to do so. **Once you have registered and are in the UCAS Hub make sure you select the correct study year 2022 and when asked to select a level of study, select Undergraduate.**

Application Home Page

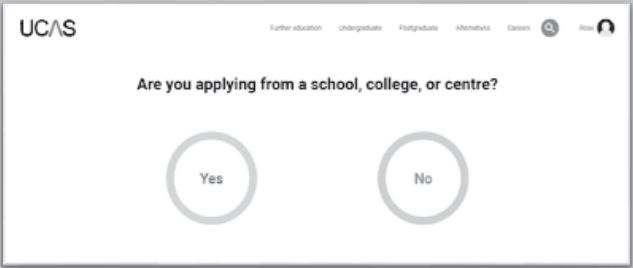

Your Homepage is where you will see the sections that need completing. You don't need to complete all the application at once, you can log in and out until you are finished. As you add information to each tile, the percentage complete dial should increase each time you mark a section as complete.

Start by completing Your Profile section.

After registering you will be taken to the UCAS Hub. Click on the Your Application tile with the red circle.

You will then be asked Are you applying from a school, college or centre? Select Yes

The college Buzzword is Darnton22
Once you have attached your application to Ashton Sixth Form College, please select your Senior Tutor from the list provided.

Your Profile

This section is information about you. The tiles will give you an overview; if a section is complete, in progress, or you need to start it. All sections must be marked as complete to send to UCAS. You must complete all mandatory questions to mark a section as complete (they have a *).

When completing each section:

- Select options from the drop down lists provided.
- Use capital letters as appropriate.
- Click the blue Save this section at the bottom of each section.
- If you are unsure how to answer a question, click the blue question mark

Personal details

- Your name as it appears on official documents

Contact and residency details

- Permanent residency refers to where you normally live, for example, Tameside or Oldham.
- Residential category, most students will select - UK Citizen – England

Education

- See information below

Employment

- Only include paid employment.

Nationality details

- Select options from the drop down lists provided.
- What is your nationality? Select UK national as it appears on your passport (unless your passport states something different).
- Only complete the Dual nationality question if you have two passports.

Supporting information

- All questions are mandatory (*), but you have the option of I don't know and Prefer not to say for the first two.
- You don't have to declare a disability if you don't want to, you can select No disability. Information completed here is not used to make a decision on your application. It's only shared with those involved in supporting you, or making the arrangements for support.

English Language Skills

- Is English your first or primary language? Yes

Finance and funding

- Select an option from the drop down list – for most students this will be the second option UK, ChI, IoM or EU student finance services. If you are applying for a healthcare degree, select DH/Regional Health

Diversity & Inclusion

- There are two mandatory fields(*), but you have the option to respond with I prefer not to say.
- This information is only shared with universities or colleges once you have secured a place, it does not influence any decision making. It's used to ensure applications are treated fairly.
- For the occupational background, you must type at least 3 letters into the response field, and then select an option from the menu that appears below it.

Personal Statement

- Do not type directly into the box provided. Draft your personal statement in a word processed document and once it has been checked, agreed and finalised, copy and paste it into your application.
- You have 4000 characters with spaces (or 47 lines).
