

Start of the academic year (September 2020)

The below dates are for returning students going in to their second year at college. More information has been, and will continue to be, sent to all A2 students via college emails.

Welcome Back Information

Delivered virtually via email

In light of the current local intelligence re covid-19, it is not advisable to have large gatherings of students in assemblies and therefore these will be recorded and delivered to you via email for you to watch at home. It is vital that you make time to watch this video as it will contain important information regarding the start of teaching and other pre-teaching sessions you will need to attend, as well as information about how to attend college safely.
