

Logging into Hegarty Maths

Home learning is an essential piece in the puzzle of your maths education. It is therefore vital that you access Hegarty Maths. It is **your** responsibility to ensure that you can log in and access this platform.

Step 1: Go to <https://hegartymaths.com/>

Step 2: Click Student Login

The screenshot shows the homepage of Hegarty Maths. At the top left is the logo. To the right are two buttons: 'Student log in' (highlighted with a black arrow) and 'Teacher log in'. Below the header is a blue banner with the text 'Built to make independent learners'. Underneath this are two buttons: 'Watch demo video' and 'Register interest'. Below that is a black banner with the text 'Build maths confidence fast at home with numerise' and a pink button that says 'SIGN UP FOR A TWO WEEK FREE TRIAL'. At the bottom of the page, there is a dark blue footer with a cookie consent notice: 'We use cookies to give you the best online experience. Please let us know if you agree to all of these cookies.' and two buttons: 'Yes, I agree' and 'No, take me to settings'.

Step 3: Find Ashton Community Science College (you should only need to type Ashton)

The screenshot shows the 'Find your school' search interface on the Hegarty Maths website. The search bar contains the text 'Ashton'. A dropdown menu is open, showing a list of schools. The first option is 'Ashton Community Science College, Preston, PR2 1SL', which is highlighted. Other options include 'St Edmund Arrowsmith Catholic High School, Ashton-in-Makerfield, Wigan, W14 9PF', 'West Ashton Church of England Primary School, Townridge, BA14 6AZ', 'Ashton Keynes Church of England Primary School, Swinton, WN6 6NZ', and 'Ashton-on-Mersey School'. The background is blue with various math-related icons. At the bottom, there is a dark blue footer with a cookie consent notice: 'We use cookies to give you the best online experience. Please let us know if you agree to all of these cookies.' and two buttons: 'Yes, I agree' and 'No, take me to settings'.

Step 4: Type your first name, your surname and DOB. This needs to be as it is on the school registers.

The screenshot shows the 'Enter your details' login form on the Hegarty Maths website. The form is centered on a blue background with a pattern of mathematical symbols. At the top left is the 'hegartymaths' logo, and at the top right are 'Student log in' and 'Teacher log in' buttons. The form itself has a white background and contains the following fields: a text input for 'John', a text input for 'Smith', a dropdown menu for '12', a dropdown menu for 'June', and a dropdown menu for '2009'. There are 'What's this for?' links next to the last three fields. A blue 'Next' button is at the bottom of the form. At the bottom of the page, there is a dark blue footer with a cookie notice: 'We use cookies to give you the best online experience. Please let us know if you agree to all of these cookies.' and two links: 'Yes, I agree' and 'No, take me to settings'.

Step 5: Type your password in (this is a password that you selected)

The screenshot shows the 'Welcome back' login form on the Hegarty Maths website. The form is centered on a blue background with a pattern of mathematical symbols. At the top left is the 'hegartymaths' logo, and at the top right are 'Student log in' and 'Teacher log in' buttons. The form itself has a white background and contains the following fields: a password input field with a 'What's this for?' link to its right. Below the password field is a link: 'Forgotten your password? Click here to request your teacher to reset it.' A blue button with a right-pointing arrow and the text 'Login' is at the bottom of the form. At the bottom of the page, there is a dark blue footer with a cookie notice: 'We use cookies to give you the best online experience. Please let us know if you agree to all of these cookies.' and two links: 'Yes, I agree' and 'No, take me to settings'.

Step 6: Click login
