22<sup>nd</sup> September 2020

Dear Parent/ Carer

Year 11 students have just started their final full school year with us and as usual for this year group, staff and students are now covering the final content for the GCSE examinations prior to beginning a full revision programme. We are aware however that the enforced national lockdown between March and July has impacted on students and there are gaps in knowledge which we are working hard to address. Next week therefore, we will be beginning intervention sessions in maths and English to support students and ensure that they are fully prepared for their mock exams in the first instance and ultimately for their GCSE exams next summer. The sessions will begin in form time and continue until 3.30 pm.

Tuesday: English intervention delivered by regular English class teachers 2.45 pm- 3.30 pm.

Wednesday: Maths intervention delivered by regular maths class teachers 2.45 pm- 3.30 pm.

I am sure that you share my view that supporting our year 11 students to achieve their very best is essential. Attendance at these sessions is therefore compulsory.

Thank you for your continued support.

Yours sincerely

Mrs J Hoyle  
Deputy Headteacher - Curriculum
