

Role	Maths Subject Ambassador – Teaching & Learning Committee
Time Commitment	Variable
Vacancies	10
Suitable for Years	All years
Job description	Support the maths faculty in engaging students to 'Love life love maths'. Help with the organisation and running of maths events in and outside of school. Help with the organising, promoting and running of maths SCAMPS activities.
Leadership skills focus	<p>Teamwork and collaboration Maths events only work if we all do our jobs properly. It is important that you are a team worker and play your part in the whole success of maths events.</p> <p>Confidence Have the confidence to explain maths activities to others. Being confident in your approach to activities will show competence and the students you are leading will trust you.</p> <p>Reliable Be reliable and trusted to perform tasks given to them when they are needed. Maths events cannot run without you so we need to know you can be counted on.</p> <p>Effective Communication Ability to explain events/activities to small groups is important. Listening is just as important as talking when as you may need to follow instructions in order to successfully complete tasks, so good listening skills are key too.</p>
Key responsibilities	<p>As a Maths Student Leader you will be expected to:</p> <ul style="list-style-type: none"> • Assist with the running of maths events organised by the faculty. • Support the running of SCAMPS maths clubs either at dinnertime and after school. • Represent the 'Love Life Love Maths' ethos of the maths faculty when on show to other schools, students and parents. <p>Support students by:</p> <ul style="list-style-type: none"> • Showing students how to perform certain tasks. • Offering help and advice on how to improve. • Encouraging students to demonstrate their own abilities.
