How can we show compassion to others?

In the news this week

Community centres, libraries, businesses, and churches across the UK have been set up as free warm spaces to help provide warmth and companionship during the winter months. With cold weather continuing, charities and campaign groups are concerned that households face higher energy bills than last year. More than 12,000 warm banks were used by millions of Britons last winter in response to rising energy prices that worsened the UK's cost of living crisis. The scheme was set up by local councils, charities, and partner organisations.
