Statement of intent

St Wilfrid's Catholic Primary believes that, in order to facilitate teaching and learning, acceptable behaviour must be demonstrated in all aspects of school life. The school is committed to:

- Promoting desired behaviour.
- Promoting self-esteem, self-discipline, proper regard for authority, and positive relationships based on mutual respect.
- Ensuring equality and fair treatment for all.
- Praising and rewarding good behaviour.
- Challenging and disciplining misbehaviour.
- Providing a safe environment free from disruption, violence, discrimination, bullying and any form of harassment.
- Encouraging positive relationships with parents.
- Developing positive relationships with pupils to enable early intervention.
- A shared approach which involves pupils in the implementation of the school's policy and associated procedures.
- Promoting a culture of praise and encouragement in which all pupils can achieve.

Reasonable and proportionate sanctions will be used where a pupil's behaviour falls below the standard that is expected, alongside support to prevent recurring misbehaviour.

The school acknowledges that behaviour can sometimes be the result of educational needs, mental health issues, or other needs or vulnerabilities, and will address these needs via an individualised graduated response.

- Their own behaviour both inside school and out in the wider community.
- Reporting any unacceptable behaviour to a member of staff.

Parents will be responsible for:

- Supporting their child in adhering to the school rules and reinforcing this at home.
- Informing the school of any changes in circumstances which may affect their child's behaviour.

3. Definitions

For the purposes of this policy, the school will define “serious unacceptable behaviour” as any behaviour which may cause harm to oneself or others, damage the reputation of the school within the wider community, and/or any illegal behaviour. This will include, but is not limited to, the following:

- **Discrimination** – not giving equal respect to an individual on the basis of age, disability, gender identity, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, and sexual orientation.
- **Harassment** – behaviour towards others which is unwanted, offensive and affects the dignity of the individual or group of individuals.
- **Vexatious behaviour** – deliberately acting in a manner so as to cause annoyance or irritation.
- **Bullying** – a type of harassment which involves personal abuse or persistent actions which humiliate, intimidate, frighten or demean the individual being bullied.
- **Cyberbullying** – the use of electronic communication to bully a person, typically by sending messages of an intimidating or threatening nature.
- Possession of banned items

- Truancy and running away from school.
- Refusing to comply with disciplinary sanctions.
- Theft
- Verbal abuse, including swearing, racist remarks and threatening language.
- Fighting and aggression
- Persistent disobedience or disruptive behaviour
- Extreme behaviour, such as violence and serious vandalism
- Any behaviour that threatens safety or presents a serious danger.
- Any behaviour that seriously inhibits the learning of pupils
- Any behaviour that requires the immediate attention of a staff member

For the purposes of this policy, the school will define “low-level unacceptable behaviour” as any behaviour which may disrupt the education of the perpetrator and/or other pupils, including, but not limited to, the following:

- Lateness
- Low-level disruption and talking in class
- Failure to complete classwork
- Rudeness
- Refusing to complete homework, incomplete homework, or arriving at school without homework

“Low-level unacceptable behaviour” may be escalated to “serious unacceptable behaviour”, depending on the severity of the behaviour.

4. Staff induction, development and support

All new staff will be inducted clearly into the school’s behaviour culture to ensure they understand its rules and routines and how best to support all pupils to participate in creating the culture of the school. Staff will be provided with bespoke training, where necessary, on the needs of pupils at the school to enable behaviour to be managed consistently.

The SLT will consider any appropriate training which is required for staff to meet their duties and functions in accordance with this policy, including on understanding matters which may affect a pupil’s behaviour, e.g. SEND and mental health needs.

Members of staff who have, or are aspiring to have, responsibilities for leading behaviour or supporting pupil wellbeing will be supported to undertake any relevant training or qualifications.

The SLT and the headteacher will review staff training needs annually, and in response to any serious or persistent behaviour issues disrupting the running of the school.

5. Social, emotional and mental health (SEMH) needs

To help reduce the likelihood of behavioural issues related to SEMH needs, the school will create a safe and calm environment in which positive mental health and wellbeing are promoted and pupils are taught to be resilient. The school will promote resilience as part of a whole-school approach.

- **Culture, ethos and environment** – the health and wellbeing of pupils and staff is promoted, including leadership practice, policies, values and attitudes, alongside the social and physical environment
- **Teaching** – pupils’ knowledge about health and wellbeing
- **Community engagement** – the school proactively engages with parents, outside agencies and the wider community to promote consistent support for pupils’ health and wellbeing

All staff will be made aware of how potentially traumatic adverse childhood experiences, including abuse and neglect, can impact on a pupil’s mental health, behaviour, and education. Where vulnerable pupils or groups are identified, provision will be made to support and promote their positive mental health. The school’s SEMH Policy outlines the specific procedures that will be used to assess these pupils for any SEMH-related difficulties that could affect their behaviour.

6. Managing behaviour

Instances of unacceptable behaviour will be taken seriously and dealt with immediately. Staff will respond promptly, predictably and with confidence to maintain a calm, safe learning environment. Staff will consider afterwards how to prevent such behaviour from recurring.

School will keep a record on CPOMS of all reported incidents to help identify pupils whose behaviour may indicate potential mental health or safeguarding problems. All staff will be alerted to changes in a pupil’s behaviour that could indicate they need help or protection.

Support, such as targeted discussions with pupils, a phone call with parents, and inquiries into circumstances outside of school by the DSL, will be provided alongside the use of sanctions to prevent the misbehaviour recurring. After an initial incident of negative behaviour, the following sanctions will be considered, with staff using their professional judgement and experience to determine what is appropriate and reasonable:

- Issuing a verbal reprimand and reminder of the expected behaviour
- Removal of privileges

Where a pupil’s misbehaviour is causing significant disruption or is deemed serious enough by a staff member, the following procedures will be followed:

- The pupil is sent to the headteacher immediately or, in the headteacher’s absence, the most senior member of staff.
- Where deemed necessary, e.g. after other behavioural strategies in the classroom have been attempted or the behaviour is so extreme as to warrant immediate removal, the pupil will be removed from the classroom – the Headteacher will determine the period the pupil will be removed from the classroom.

- The Headteacher or member of SLT will inform the pupil's parents on the same day, where possible, following a decision to remove their child from the classroom, and invite them to discuss the incident.

Following repeated incidents of unacceptable behaviour, the following sanctions will be implemented:

- The headteacher will consider whether the pupil should be suspended, in line with the school's Suspension and Exclusion Policy, and will determine the length of the suspension.
- Although unacceptable behaviour does not necessarily mean a pupil has SEND, an assessment will be carried out at this stage to determine whether there are any undiagnosed learning or communication difficulties, or mental health issues that may be contributing to the pupil's behaviour.
- Where a pupil is identified as having SEMH-related difficulties, SEND support will be put in place.
- Where SEND is not identified, but the headteacher determines that support is still required for the pupil, a meeting will be arranged with the parents to discuss an Individual Behaviour Plan. This will be created to outline the necessary provisions in place with the support of the TESS team. (**Targeted Education Support Service**)

Following further incidents of unacceptable behaviour, the following sanctions will be implemented:

The headteacher will consider whether a permanent exclusion is necessary, in line with the school's Suspension and Exclusion Policy, alongside alternative options such as a managed move or off-site direction to improve behaviour.

For disciplinary sanctions to be lawful, the school will ensure that:

- The decision to sanction a pupil is made by a paid member of school staff, or a member of staff authorised to do so by the headteacher.
- The decision to sanction a pupil is made on the school premises or whilst the pupil is under the charge of a member of staff, such as during an educational trip or visit.
- The decision to sanction a pupil is reasonable and will not discriminate on any grounds, e.g. equality, SEND or human rights.

The school will ensure that all disciplinary sanctions are reasonable in all circumstances, and will consider the pupil's age, religious requirements, SEMH needs, any SEND, and any other contributing factors, e.g. bullying, safeguarding or home life issues.

7. Prevention strategies, intervention, and sanctions for unacceptable behaviour

This section outlines the school's strategies for preventing unacceptable behaviour and initial interventions, minimising the severity of incidents, and using sanctions and support effectively and appropriately to improve pupils' behaviour in the future.

Initial interventions

A range of initial intervention strategies to help pupils manage their behaviour and reduce the likelihood of more severe sanctions will be used. Support will consider the pupil's specific needs and may be delivered outside of the classroom, in small groups or in one-to-one activities. A system will be in place to ensure relevant members of the SLT and pastoral staff are aware of any pupil that is:

- Persistently misbehaving
- Not improving their behaviour following low-level sanctions
- Displaying a sudden change in behaviour from previous patterns of behaviour

Examples of initial interventions to address misbehaviour will include, but are not limited to, the following:

- Frequently engaging with parents
- Providing mentoring and coaching
- Short-term behaviour communication diary
- Long-term behaviour plans
- Engagement with local partners and agencies
- Where the pupil has SEND, an assessment of whether appropriate provision is in place to support the pupil, and if the pupil has an EHC plan, contact with the LA to consider a review of the plan

A multi-agency assessment, such as an early help assessment, that goes beyond a pupil's education will be considered where serious concerns about a pupil's behaviour exist.

Positive teacher-pupil relationships

Positive teacher-pupil relationships are key to combatting unacceptable behaviour. The school will focus heavily on forming positive relationships based on predictability, fairness and trust to allow teachers to understand their pupils and create a strong foundation from which behavioural change can take place.

Preventative measures for pupils with SEND

Behaviour will always be considered in relation to a pupil's SEND. If it is deemed that a pupil's SEND has contributed to their misbehaviour, the school will consider whether it is appropriate and lawful to sanction the pupil.

Where a pupil is identified as having SEND, the graduated approach will be used to assess, plan, deliver and review the impact of support being provided.

The school will aim to anticipate likely triggers of misbehaviour and put in place support to prevent these, taking into account the specific circumstances and requirements of the pupil concerned. Measures the school will implement where appropriate include, but are not limited to, the following:

- Short, planned movement breaks for a pupil whose SEND means they find it difficult to sit still for long
- Ensuring a pupil with visual or hearing impairment is seated in sight of the teacher

- Adjusting uniform requirements for a pupil with sensory issues or relevant medical condition
- Training for staff in understanding autism and other conditions

De-escalation strategies

Where negative behaviour is present, staff members will implement de-escalation strategies to diffuse the situation. This will include:

- Appearing calm and using a modulated, low tone of voice
- Using simple, direct language.
- Avoiding being defensive, e.g. if comments or insults are directed at the staff member.
- Providing adequate personal space and not blocking a pupil's escape route.
- Showing open, accepting body language, e.g. not standing with their arms crossed.
- Reassuring the pupil and creating an outcome goal.
- Identifying any points of agreement to build a rapport.
- Offering the pupil a face-saving route out of confrontation, e.g. that if they stop the behaviour, then the consequences will be lessened.
- Rephrasing requests made up of negative words with positive phrases, e.g. "if you don't return to your seat, I won't help you with your work" becomes "if you return to your seat, I can help you with your work".

Physical intervention

In line with the school's Physical Intervention Policy, trained members of staff will have the legal right to use reasonable force to prevent pupils from committing an offence, injuring themselves or others, or damaging school property, and to maintain good order and discipline in the classroom.

Staff members will use their professional judgement of the incident to decide whether physical intervention is necessary. The situations in which physical intervention may be appropriate are detailed in the Physical Intervention Policy. Wherever possible, staff will ensure that a second member of staff is present to witness the physical intervention used.

After an instance of physical intervention, the pupil will be immediately taken to the headteacher, and the pupil's parent will be contacted. Where appropriate, the headteacher may decide to temporarily remove the pupil from the school via a suspension. Where suspension is carried out, the pupil's parent will be asked to collect the pupil and take them home for the rest of the day.

Any violent or threatening behaviour will not be tolerated by the school and may result in a suspension in the first instance. It is at the discretion of the headteacher to determine what behaviour necessitates an exclusion, in line with the Suspension and Exclusion Policy.

When using reasonable force in response to risks presented by incidents involving pupils with SEND or medical conditions, staff will recognise and consider the vulnerability of these groups.

Removal from the classroom

The school may decide to remove pupils from the classroom for a limited period, at the instruction of a member of staff.

The pupil will be moved to a room that is:

- In an appropriate area of the school
- Stocked with appropriate resources
- Suitable to learn and refocus
- Supervised by trained members of staff

The school will only remove pupils from the classroom where absolutely necessary and for the following reasons:

- To maintain the safety of all pupils and restore stability following an unreasonably high level of disruption
- To enable disruptive pupils to be taken to a place where education can continue in a managed environment
- To allow the pupil to regain calm in a safe space

The school will ensure that pupils' health and safety is not compromised during their time away from the classroom, and that any additional requirements, such as SEND needs, are met.

The amount of time that a pupil spends removed from the classroom will be up to the school to decide. This could be for more than one school day. The school will ensure that the pupil is not removed from the classroom any longer than necessary.

The staff member in charge and supervising the pupil will decide what the pupil may and may not do during their time spent removed from the classroom. The headteacher will request that the pupil's class teachers set them appropriate work to complete.

The headteacher will establish a clear process for the reintegration of a pupil who has been removed from the classroom when it is deemed appropriate and safe for them to return. Consideration will be given to what support is needed to help the pupil return and meet the expected standards of behaviour. Reintegration meetings will be held between the school, pupil and their parents, and other agencies if relevant, where necessary.

Pupils will be permitted to eat during the allocated times of the school day and may use the toilet as required.

8. Sexual abuse and harassment

The school will promote and enforce a zero-tolerance approach to all forms of sexual abuse and harassment, including sexual harassment, gender-based bullying and sexual violence. The school's procedures for handling child-on-child sexual abuse and harassment are detailed in the Child-on-child Abuse Policy.

The school will respond promptly and appropriately to any sexual harassment complaints in line with the Child Protection and Safeguarding Policy; appropriate steps will be taken to stop the harassment and prevent any reoccurrence. Disciplinary sanctions for incidents of sexual harassment will be determined based on the nature of the case, the ages of those involved and any previous related incidents.

Where the school is responding to a report of sexual violence, the school will take immediate steps to ensure the victim and other pupils are protected. The DSL will work closely with the police, and any other agencies as required, to ensure that any action the school takes, e.g. disciplinary sanctions, will not jeopardise the police investigation.

9. Smoking and controlled substances

In accordance with the Health Act 2006, the school is a smoke-free environment. Parents, visitors, staff and pupils will be instructed not to smoke or vape on school grounds. Pupils will not be permitted to bring smoking materials or nicotine products to school.

10. Prohibited items, searching pupils and confiscation

Headteachers and staff authorised have a statutory power to search pupils or their possessions, without consent, where they have reasonable grounds for suspecting that the pupil may have a prohibited item. Authorised members of staff will be permitted to use reasonable force when conducting a search without consent for prohibited items that may cause personal injury to any person, including the pupil themselves.

11. Effective classroom management

Well-managed classrooms are paramount to preventing disruptive and unacceptable behaviour. Effective classroom management will allow staff to:

- Start the year with clear sets of rules and routines that are understood by all pupils.
- Establish agreed rewards and positive reinforcements.
- Establish sanctions for misbehaviour.
- Establish clear responses for handling behavioural problems.
- Encourage respect and development of positive relationships.
- Make effective use of the physical space available.
- Have well-planned lessons with a range of activities to keep pupils stimulated.

Subject to reasonable adjustments, e.g. those made for pupils whose SEND may affect their behaviour, pupils will be expected to follow the school Pupil Code of Conduct, which requires pupils to:

- Conduct themselves around the school premises in a safe, sensible and respectful manner.
- Arrive to lessons on time and fully prepared.
- Follow reasonable instructions given by staff.
- Behave in a reasonable and polite manner towards all staff and pupils.
- Show respect for the opinions and beliefs of others.
- Complete classwork as requested.
- Hand in homework at the time requested.
- Report unacceptable behaviour.
- Show respect for the school environment.

Classroom rules and routines

St. Wilfrid's has an established set of clear, comprehensive and enforceable classroom rules which define what is acceptable behaviour and what the consequences are if rules are not adhered to. Attention is given to how rules are worded, such as the use of positive language rather than negative, e.g. "act respectfully towards your peers and teachers", rather than "do not act disrespectfully towards your peers and teachers".

St. Wilfrid's also has an established set of classroom routines to help pupils work well, in the understanding that behavioural problems can arise due to the lack of a consistent routine. This includes teachers ensuring that before lessons begin, they have the full attention of all pupils, then explaining the task clearly so all pupils understand what they are supposed to be doing.

The headteacher will ensure all teachers understand classroom rules and routines and how to enforce them, including any sanctions for not following the rules.

Teachers will support pupils to understand and follow classroom rules and routines. Teachers will inform pupils of classroom rules and routines at the beginning of the academic year and revisit these daily. Where appropriate, teachers will explain the rationale behind the rules and routines to help pupils understand why they are needed and will model rules and routines to ensure pupils understand them. Teachers will also explain clearly to pupils what will happen if they breach any classroom rules to ensure pupils are aware of the sanctions that may be imposed.

To support pupils' continued awareness and understanding of classroom rules and routines, teachers will reinforce them in a range of ways, e.g. placing posters of the rules on classroom walls and providing regular verbal reminders of the routines. Teachers will also ensure that classroom rules and routines remain consistent and are practised throughout the year to create a more productive and enjoyable environment.

At the beginning of the school year pupils will be reminded of the classroom rules. All rules outlined in the classroom are the same throughout the school and are referred to as our 'Golden Rules'. These are applicable to pupils' behaviour on the school premises and outside of the school – teachers will ensure that pupils understand this.

The classroom environment

The school understands that a well-structured classroom environment is paramount to preventing poor behaviour. This includes the teacher positioning themselves effectively within the classroom, e.g. wherever possible, teachers avoid standing with their backs to pupils and ensure they have full view of the room at all times.

Teachers will employ strategic seating arrangements to prevent poor behaviour and enable it to be noticed early, such as:

- Seating those who frequently model poor behaviour closest to, and facing, the teacher.
- Seating those who frequently model poor behaviour away from each other.
- Ensuring the teacher can see pupils' faces, that pupils can see one another, and that they can see the board.
- Ensuring the teacher can move around the room so that behaviour can be monitored effectively.

Praise and rewards

The school will recognise that praise is key to making pupils feel valued and ensuring that their work and efforts are celebrated. When giving praise, teachers will ensure:

- They define the behaviour that is being rewarded.
- The praise is given immediately following the desired behaviour.
- The way in which the praise is given is varied.
- Praise is related to effort, rather than only to work produced.
- Perseverance and independence are encouraged.
- Praise is only given when a pupil's efforts, work or behaviour need to be recognised, rather than continuously without reason.
- The praise given is always sincere and is not followed with immediate criticism.

Whilst it is important to receive praise from teachers, the school understands that peer praise is also effective for creating a positive, fun and supportive environment. Teachers will encourage pupils to praise one another, and praise another pupil to the teacher, if they see them modelling good behaviour.

As with praise, the school understands that providing rewards after certain behaviour means that pupils are more likely to model the same behaviour again. For rewards to be effective, the school recognises that they need to be:

- **Immediate** – immediately rewarded following good behaviour.
- **Consistent** – consistently rewarded to maintain the behaviour.
- **Achievable** – keeping rewards achievable to maintain attention and motivation.
- **Fair** – making sure all pupils are fairly rewarded.

Rewards for good behaviour will include, but are not limited to:

- Verbal praise
- Communicating praise to parents
- Certificates and special assemblies

12. Behaviour outside of school premises

Pupils at the school must agree to represent the school in a positive manner. The guidance laid out in the Pupil Code of Conduct will apply both inside school and out in the wider community, particularly if the pupil is dressed in school uniform.

Staff can sanction pupils for misbehaviour outside of the school premises, including conduct online, provided the pupil is:

- Wearing school uniform.
- Travelling to or from school.
- Taking part in any school-related activity.
- In any way identifiable as being a pupil at the school.

Staff may also sanction pupils for misbehaviour outside the school premises, including conduct online, that:

- Could negatively affect the reputation of the school.

- Could pose a threat to another pupil, a member of staff at the school, or a member of the public.
- Could have repercussions for the orderly running of the school.

Any bullying witnessed outside of the school premises and reported to the school will be dealt with in accordance with the Anti-bullying Policy.

The school will impose the same sanctions for bullying incidents and non-criminal misbehaviour witnessed or reported outside of the school premises as would be imposed for the same behaviour conducted on school premises. In all cases of unacceptable behaviour outside of the school premises, staff will only impose sanctions once the pupil has returned to the school premises or when under the supervision of a member of staff.

Complaints from members of the public about the behaviour of pupils from the school are taken very seriously and will be dealt with in accordance with the Complaints Procedures Policy.

13. Data collection and behaviour evaluation

The school will collect data from the following sources:

- Behaviour incident data, including on removal from the classroom
- Attendance, permanent exclusion and suspension data
- Use of pupil support units, off-site directions and managed moves
- Incidents of searching, screening and confiscation
- Anonymous surveys for staff, pupils, governors, and other stakeholders on their perceptions and experiences of the school behaviour culture

The data will be monitored and objectively analysed by the headteacher and the SLT. Attempts will be made to identify possible factors contributing to the behaviour, any system problems or inadequacies with existing support. The data will also be analysed considering the protected characteristics under the Equality Act 2010 to inform school policies and practice.

14. Monitoring and review

This policy will be reviewed by the headteacher and senior mental health lead on an annual basis; they will make any necessary changes and communicate these to all members of staff and relevant stakeholders.

This policy will be made available for Ofsted inspections and reviews by the lead inspector, upon request.

The next scheduled review date for this policy is March 2026.
