## JOURNEY OF LIFE

For each of us, life is like a journey  
Birth is the beginning of this journey.  
And death is not the end; but the destination.  
It is a journey that takes us  
From youth to age,  
From innocence to awareness,  
From ignorance to knowledge,  
From foolishness to wisdom,  
From weakness to strength and often back again,  
From offence to forgiveness,  
From pain to compassion,  
From fear to faith,  
From defeat to victory and from victory to defeat,  
Until, looking backward or ahead,  
We see that victory does not lie  
At some high point along the way,  
But in having made the journey,  
Stage by stage.

**‘Love** is an art to be learned,  
It is a giving experience,  
a selfless act.  
every experience of **love**  
gives us yet another glimpse  
of the meaning **love** in God himself.  
Human **love** is the instrument we can use  
to explore the mystery of **love**  
which God is.’

*Cardinal Basil Hume*
