Action

Item 1 - Treasurer

Mrs. Kime informed us that the bank balance is £938.36, as we have just paid £289.05 to Miss Crawley for home/school reading books.

Item 2 - Update on Football Nets

Mrs. Maylor has advised that the football nets were discussed at the last PTA meeting, but they still need to agree how much they are willing to spend on them. We will await further updates from Mrs. Maylor/PTA.

Item 3 - Suggestion Box

The suggestion box has been into years 3, 4, 5 and 6. Some of the suggestions were as follows: pets, bike racks, a school newspaper, a two hour P.E. lesson, dance classes, a canopy/picnic bench for the playground, more 'fun stuff' for older children at the After School Club. Erin offered to speak with some of the older pupils that attend After School to get an idea of the sort of 'fun stuff' they would like to have. We can then take this up with the staff. Thank you for your suggestions - keep them coming! We will be sending the suggestion box into the infants very shortly, as we would love to hear their suggestions too!

Item 4 - Books

Mrs. Kime advised that we are still waiting on delivery of the books that were funded by the School Council, as per Miss Crawley's request. Once the books arrive Miss Crawley has agreed to us putting labels in the front of the books to say that they were funded by the School Council.

Item 5 - Eco-Warriors Meeting

Mrs. Atkinson has suggested that the Eco-Warriors hold a meeting at lunchtime (date to be advised).

Item 6 - School Dinners

The School Councillors have spoken with Janice about putting some notices up around the serving hatch to remind children to take the correct lunch. Janice thought this was a great idea, so Erin and Robert have been busy sketching their ideas, which they shared with the School Councillors. Erin and Robert hope to have a computer version printed out in time for the next meeting.
