	<p>Mrs O'Brien popped into our meeting to pass on a thank you to the School Council team from the Governors. They had noticed our shoeboxes on display, and they were keen to find out more. They are grateful for all the work that we do as School Councillors, but they were especially impressed with the hard work put into supporting The Shoebbox Fairies.</p> <p>The School Councillors would also like to say a BIG thank you to Mrs Hewitt who helps to keep the School Council running smoothly, now that Mrs Kime has retired. Thank you to our Teaching Assistants too who take time out of their busy day to make our toast. We really do appreciate it!</p>

Suggestions:

We recently sent out a memo to each class asking for suggestions to help improve school life. Please see suggestions received which are listed below:

Year 1 – A new football, Christmas decorations, space hoppers, a slide/swing, a star of the day chair and a trampoline.

Year 2 - Gold coloured pencils for phonics, more writing pencils/felt tips/crayons, wet play equipment such as: chess/connect 4/snakes & ladders/brain challenge games, plus a girl's football and 3D shapes for maths.

Year 4 – More clubs offering basketball, rugby, tennis and cricket.

Year 6 – New footballs, a celebration day of culture from around the world, a trip to Liverpool museum, more school trips for every class, use Friday as a day to try out different sports, a nature club/walk, more sports tournaments, a safer obstacle course, a bigger football pitch.

We will look into these suggestions and see if we can provide any items listed. Obviously, we cannot provide some items due to health and safety reasons. Thank you for all your suggestions. Remember, you can make suggestions at any time by using your suggestion box located in your classroom.

Recycling:

Batteries

Thank you for continuing to recycle your batteries using the containers located in the resource area outside your classrooms.

Thank you to Mrs Hewitt for counting the batteries. She counted 1264. Mrs Kime will take the batteries to the Recycling centre and enter this number against St. Wilfrid's on the Big Battery Hunt website.

Please note: We can only accept A, AA, C and D batteries.

Recycling:

Ink cartridges

For some reason the recycling of ink cartridges has never really taken off. We have decided to give it one last push by sending out a letter to raise awareness that we offer this facility in school.

FYI: The recycling box is located at the side of the School Council noticeboard in the hall. Just look for the recycling poster.

Remember: Toner and laser cartridges are not accepted as part of the programme.
