	The School Councillors discussed different ways we could raise money for our school. The councillors shared lots of creative ideas, and we decided the next step is to take these suggestions back to each year group. We hope to gather even more ideas from all pupils so that everyone has a chance to contribute to our fundraising plans. We also discussed supporting the <i>Shoebox Fairies</i> in November. This project will allow us to donate essential items to our local charity and help families in our community. We are excited to take part and make a positive difference together.
Treasurer: 	As of the 29th September 2025, our School Council bank balance is £572.98. Thank you so much to everyone who buys toast each week. With your support we are able to buy nice things for our school.
Shoebox Fairies	The Shoebox fairies was discussed, and the councillors are happy to continue this fundraiser. The school council will conduct an assembly and provide a letter to parents to outline the items needed. All items will need to be in school by Friday 21st November 2025, as they are due to be collected the following week. Mrs Birkett agreed to send a letter out to parents to notify them of this.
AOB	Year 2 requested £68 for maths resources. The School Council agreed to fund this request.
