### Online safety guide.

In an ever-evolving online world, sometimes it's difficult to make sense of the huge selection of apps and games available to young minds. The choices are almost endless and it's not always possible to know which apps are age-appropriate, which games are safe to play and just what content your child is being exposed to. That's why we've created these three handy guides for parents and carers with suggested apps and games that children might enjoy using to learn and play.

In these guides, you'll find tips on a number of potential risks such as age appropriate content and games, age ratings and more.

Please find attached a PDF guide

### CHRISTMAS PRODUCTIONS

This year, **Nursery and Reception** will be putting together their **Nativity**, and the rest of the school will be performing a Christmas Carol individually and in key stages. Each performance will be available for you to watch via our Youtube channel from **Friday 17<sup>th</sup> December.**
