COVID Guidelines

Further guidance has been received this week regarding the steps which need to be taken following Stage 3 of the Government's Coronavirus Response Roadmap. As a general principle, all places of worship are always to consider the prevailing local conditions for the virus. This means that, after consultation, the Archbishop has decided that, due to the prevalence of the Indian variant in the North West, we should keep certain restrictions in place in the Diocese. This is particularly important for those who may be returning to Mass for the first time, but also serves as a timely reminder to everyone as to what is required. Therefore

1. The use of hand gel on entering and leaving Church will continue.
2. Face coverings are required, unless there is a medical exemption.
3. The sanitising of benches after each service will continue, therefore stewards will show you to your place, filling up from the front of the Church.
4. Single-use Mass sheets are to be taken away at the end of Mass, not left in Church.
5. Congregational singing is still prohibited.
6. Holy Communion will continue to be under one kind only, and at the end of Mass. The Minister of Holy Communion will once again announce "The Body of Christ" for each communicant. Please leave the Church immediately after receiving Communion and do not return to your bench.
7. Baptisms and weddings are still limited to 30 participants, but for funerals the number will be the Covid-secure capacity for each Church.
8. Home visits to the sick and housebound will shortly recommence.

Obviously it is hoped that, in a few weeks, many of these restrictions can be replaced, but this is by no means certain. In the meantime, your continued co-operation is greatly appreciated.

Synod 2021

On this great Feast of the coming of the Holy Spirit and the birth of the Church, we thank God for the constant guidance of the Holy Spirit in our lives and in the life of the Church. We pray for our Synod which will take place next month, and ask God to guide all those who will take part. May this be a moment of blessing and renewal for all the members of the Church in the Archdiocese.

***Merciful Father, Faithful God,
our Church has never lacked the life-giving presence of your Holy Spirit.
May your Holy Spirit always be at work among us,
helping us to be more like Christ in our love of you and of our neighbour.
We ask your blessing upon our Synod.
May we be truly open to the guidance of the Holy Spirit.
Help us to become ever more fully
the Church that you are calling us to be.
We ask this through Jesus Christ our Lord.
Amen.***

A word of thanks

The family of Jim Southworth would like to express their sincere thanks and appreciation to all within the parish and community of St Wilfrid's who have passed on their sympathy and support, and offered up their time and prayers. It has been a great source of comfort and support. Jim loved his church and all its people. The family are still accepting donations for The British Heart Foundation in memory of Jim if anyone wishes to donate, using the envelopes at the back of church and returning them either to church or to the family home. Thank you to everyone.
