Is technology changing childhood?

In the news this week

Filmmaker, Pixar, has shared that the new Toy Story 5 film will explore how children are spending more time using screens and digital technology. In the story, the toys worry that tablets, video games, and other devices are becoming more popular than traditional toys. The film has highlighted conversations about how childhood and play are changing.

Things to talk about at home ...

- > What games or toys do you enjoy playing with most at home? Why?
- > How much time do you believe people should spend using screens each day?
- > What types of play help people use their imagination?
- > Can digital technology and traditional toys both be important? In what way?
