In the news this week

Leaders from around the world are meeting in Türkiye for COP31, to discuss how to protect our planet from climate change. They will talk about how countries can work together and whether richer countries should help those affected by floods, droughts and rising seas.

Things to talk about at home ...

- What do you think is the biggest problem facing our world?
- Do you feel it is important for countries to work together to tackle climate change?
- Should richer countries help poorer countries? Explain your view.
- Is there anything families could do at home?
