Can awards encourage people to help others and care for the world?

In the news this week

Recently, a new award, called the Jane Goodall Earth Medal, has been created to celebrate people who work to help others and care for the world. It is named after Dr Jane Goodall, who spent her life protecting animals and encouraging people to look after nature. The award recognises kind and caring actions that make a positive difference, even when people are not looking for praise.

Things to talk about at home ...
