What makes someone worthy of a Nobel Prize?

In the news this week

This year's Nobel Peace Prize has been awarded to María Corina Machado from Venezuela. The Nobel Prizes are special international awards, given each year to people who have made outstanding contributions to science, literature, and peace. Machado has worked peacefully to make her country fairer and to protect people's rights. The award recognises her bravery in speaking out for fairness and freedom, and highlights the importance of non-violent action in creating change.

Things to talk about at home ...

- > Ask somebody older than you at home about their knowledge of Nobel Prizes. Can they recall any winners from the past?
- > Should children be able to win prizes like the Nobel Prize if they make a big difference? Discuss your response with someone at home.
- > If you could invent a new Nobel Prize, what would it be for?
