Should stadiums be used for more than just football?

In the news this week

English football club, Manchester United, has announced plans to build the biggest stadium in the UK. The new stadium will cost around £2 billion, seat 100,000 spectators and will also be used for many other things, including concerts. It is thought the new development will be built close to the club's existing stadium, Old Trafford. Once it's ready, the current Old Trafford stadium may be demolished.

Things to talk about at home ...

- > What is the closest football stadium to where you live? Is it ever used for things other than football?
- > Do you enjoy watching football or other sports? Have you ever been to a game in a stadium or perhaps visited one? Ask someone at home to share their experience.
- > Share your thoughts on the new stadium. Do you think it is a good idea?
