Attendance and Punctuality Policy

Updated January 2025

ASHURST WOOD PRIMARY SCHOOL

Attendance Policy

Introduction

At Ashurst Wood, we recognise that all pupils have the right to access full time education. A good education helps to give children the best possible start in life. Evidence suggests that children out of school are at risk of becoming victims of crime or abuse and more likely to be drawn into anti-social behaviour. Regular attendance is essential to enable pupils to take part in all the opportunities available and to develop their full potential. We are committed to working in partnership with our parents/carers who are responsible for ensuring their children access education. Pupils, staff, parents/carers and governors all have some part to play in securing these aims by implementing this policy.

Aims

This policy provides the framework within which all staff, governors, parents, carers, pupils and external agencies can contribute to the development and maintenance of high attendance and excellent punctuality.

Recording Attendance

Attendance register

We will keep an electronic attendance register and place all pupils onto this register. We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present.
- Attending an approved off-site educational activity.
- Absent.
- Unable to attend due to exceptional circumstances.

See updated DfE attendance codes from September 2024.

We will also record:

- For pupils of compulsory school age, whether the absence is authorised or not.
- The nature of the activity if a pupil is attending an approved educational activity.
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances.
- We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Procedures for absence

Pupils must arrive to school from 8.40am on each school day and be in the school building by 8.50am to start lessons. Attendance needs to be established once the children arrive in the classroom. Staff should settle the class and the register completed by 8.50am. Staff can only mark the register with present, absent or late. All other codes should be administered by the admin team.

Staff should notify the school office if an explanation is received for the absence from the parent/carer. The School Office have the responsibility to seek an explanation for the child's absence.

Late for the school day (After register has closed use of U code)

Lateness is recorded (L Code) from **8.50am - 9.05am** Any lateness after **9.05am** is recorded as a (U code) late, after the am register is closed and thus will be treated as an unauthorised absence, for the am session. Pupils who are continually late after the close of register will receive a punctuality concern letter and if improvements are not made, parents could be issued with a Fixed Penalty Notice (Fine of £80 rising to £160 if not paid within 21 days).

Reporting and dealing with absence

Parents are expected to telephone or email the school on each day of absence before **8.45am. Telephone: 01342 822584 Email: office@ashurstwoodprimary.co.uk.** They can also report absence using the StudyBugs App.

If a note/message of the child's absence has not been received, the admin team will attempt to contact the parent/carer to establish the reason for the pupil not being in school and the length of time the pupil will be absent. If there is no reply, then all the contact numbers provided will be called in order to gain an explanation for the absence. If school still have not been able to ascertain where the pupil is then a home visit will be made. However, if a response at the home has not been gained, school will report it to the police as the pupil will be classed a 'missing child'.

Should the pupil still be absent on consecutive days, subsequent phone calls will be made if no contact has been received from the parent/carer.

If a pupil is absent for more than five consecutive days, medical evidence must be sent to the school; this can be a doctor's certificate, GP/medical appointment card, copy of prescription, hospital letter or a note from the GP is required. This should be given to the admin team in order for the illness to be authorised.

When communication from the parent is not forthcoming explaining the absence, the admin team will process a letter to the parent/carer requesting a reason to cover the dates(s) concerned. When this has been received, they will update the registers and code them appropriately.

The school has a legal duty to publish the attendance information on the pupil's school report at the end of the academic year.

Legal responsibilities regarding absence

Under Section 7 of the Education Act (1996), parents/carers have a legal duty to make sure that their child(ren) attends school on a regular and full-time basis. Every absence and half-day absence has to be classified by the school as either authorised or unauthorised. Unauthorised absence will lead to investigations by the school staff who can offer support and guidance. For extended periods of unauthorised absence, where no explanations from parents are given, this may lead to a notice to improve which may result in a Penalty Notice or legal action being taken against parents.

Under normal circumstances, the only reason a pupil should miss school is if they are too ill to attend. This is an example of an authorised absence. Medical evidence will be required, for any absences of a week or more and for anyone with three or more odd day absences over a 6-week period with no justifiable reason provided.

Unauthorised absences are those, which the school does not consider reasonable and for which no permission has been given. For example - holidays, pupil birthday, having the day off to accompany a parent to a medical appointment, shopping for (uniform). This

includes keeping pupils away from school unnecessarily, truancy and absences which the school considers not properly explained.

Planned absence

Attending a medical or dental appointment will be counted as authorised, as long as the pupil's parent/carer notifies the school in advance of the appointment and provides evidence of this appointment.

Parents/carers should contact the school office in advance to advise about pick-up arrangements for medical appointments and when their child is due to return to school, however, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

Exceptional leave of absence

The Education Regulations 2013 to the Education Regulations 2006 states that the Headteacher may not authorise any leave of absence (i.e. holiday taken in term time). They are only allowed to consider a leave of absence if the circumstances are classed as exceptional, i.e. compassionate grounds and permission has been requested to the Headteacher. **It is not the right of the parent to take children away during term time.**

The admin staff work with the Headteacher in overseeing any such requests from parents. If the school does not agree to the request, then the absence will be recorded as unauthorised. If the leave of absence involves any travel arrangement, these must not be booked until permission is granted by the Headteacher. The leave of absence application form is available from the School Office or school website. This request is passed to the Headteacher along with any other relevant information.

The Headteacher will consider the request taking into account:

- The time of the year regards any public or internal examinations.
- The nature of the request; whether it is of an exceptional circumstance and whether any other requests have been made.
- Any request should be submitted as soon as it is anticipated and, where possible, at least 14 days before the requested absence.

A letter of approval (or a letter stating the request is not approved) will then be sent to the parent/carer clearly stipulating that approval is only given in these **exceptional circumstances** and that **no** further requests will be considered. Parents/carers are also informed that if any leave is taken beyond the dates agreed, a Penalty Notice will be issued to each parent and if applicable for each child.

Fixed Penalty notices (FPN)

The government has advised schools and Local Authority's FPNs can be considered to address offences under S.444 Education Act 1996 when there are at least 10 sessions of unauthorised absence within a 10-school week period (each school day is made up of 2 sessions). This period can straddle both school holiday periods and academic years. The absence does not need to be consecutive.

The Local Authority are responsible for issuing FPNs. The authorised officer is representative by 'Pupil Entitlement: Investigation'.

The Government has also directed that FPNs can be issued for less than this threshold should circumstance direct, offering details of when this would occur. For example, a

parent taking steps to avoid the use of FPN by taking their child out of school for 9 sessions as this would mean the threshold would not be met.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day).

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice. The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice. It remains the decision of the Local Authority whether a FPN is offered or not.

Escalation process

The Government's aim is to reduce the number of unauthorised absences from school as attendance at school has been shown to improve educational outcomes. As such an escalation process has been implemented along with an increase in the cost of a FPN.

- **First Referral** - the first-time unauthorised absence is referred and leads to a FPN being issued, the amount will be £160 per parent, per child if paid within 28 days. Reduced to £80 if paid within 21 days.
- **Second Referral** – the second time unauthorised absence is referred and leads to a FPN being issued the amount will be for £160 per parent, per child, with no reduction offered for early payment.
- **Third Referral** – the third time unauthorised absence is referred a FPN will not be issued and instead either result in the matter being presented directly to the Magistrates Court. A prosecution can result in the parent receiving a criminal record and fines of up to £2,500.
- Matter being addressed via an alternative pathway with an Investigating Officer being allocated.

For repeat offences of holidays in term time court action will be the likely outcome. In addition, absences in respect of 15 school days or more for the purposes of a holiday/travel abroad a FPN will not be offered and instead the matter will be referred directly to the Courts.

Please see the new Code of Conduct which has been published, and this can be found on the [WSCC website](#).

Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences.
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#).
- Details of the support provided so far.
- Opportunities for further support, or to access previously provided support that was not engaged with.

- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis.
- A clear timeframe of between 3 and 6 weeks for the improvement period.
- The grounds on which a penalty notice may be issued before the end of the improvement period.

Cause for concern attendance

Where there is a significant pattern of absence, the Headteacher will:

- Start intervention when attendance drops under 95%. Letter being sent home to parents/carers informing of the cause for concern and the negative impact on pupil/pupil's learning.
- After three separate periods of absence the school will contact the parent/carer to discuss reasons why and may invite them to the school for a meeting; a letter will be sent to the parents advising them that any future absences will require them to produce medical evidence and failure to do so will result in the absences been unauthorised (**Letter medical evidence**).
- If attendance continues to be a concern, we will offer support and guidance but may also refer to the Local Authority to issue a Penalty Notice or consideration of legal proceedings.
- A **notice to improve letter** may be sent at any point where attendance is a cause for concern.

Medical/hospital appointments

Parents and carers must try and ensure, where possible, that any medical appointments are made after school or during the school holiday period. Should a child have a medical appointment during an am or pm session, the expectation is they will be returned to school following the appointment and not be taken out of school for the whole day. They will be marked as unauthorised for the session if they do not return to school and no explanation is given. An appointment card/letter will need to be shown to the admin team in order for the absence to be authorised in the first instance.

Where pupils are likely to have a period of long absence, for example from a period of illness, then teachers should liaise with parents and make arrangements for work to be sent home. Medical evidence will be required.

Strategies for promoting attendance

Individual rewards are put in place to support improvement for example if the child is experiencing Emotional School Based Avoidance.

Supporting pupils who are absent or returning to school.

Pupils absent due to complex barriers to attendance.

At Ashurst Wood, we are dedicated to providing a supportive and inclusive environment for pupils facing complex barriers to attendance. We understand that each child's situation is unique, and we work closely with families to identify and address the specific challenges they encounter. Our approach includes personalised support plans, regular communication with parents and caregivers, and the involvement of external agencies when necessary.

To remove in-school barriers, we implement a range of strategies tailored to individual needs. This includes flexible scheduling, providing additional academic and wellbeing support, and fostering a positive school culture that promotes mental and emotional well-

being. We also ensure that our staff are trained to recognise and respond to signs of distress, making our school a safe and nurturing place for all pupils. Our goal is to help every child overcome obstacles to attendance, so they can fully engage in their education and achieve their potential.

Pupils absent due to mental or physical ill health or SEND

At Ashurst Wood, we are committed to supporting pupils who are absent due to mental or physical ill health or their Special Educational Needs and Disabilities (SEND).

We work closely with families to understand the specific needs and circumstances of each pupil. Regular meetings and open communication channels ensure that parents and caregivers are actively involved in developing and implementing tailored support plans. These plans often include adjustments to the school environment and curriculum to accommodate the child's needs, such as modified lesson plans, assistive resources and flexible/personalised timetables.

In addition to these adjustments, we provide additional support both emotionally and academically. For example, by providing Learning Mentor/ELSA support on a timetabled basis. We also collaborate with healthcare professionals and external agencies to ensure a comprehensive approach to each child's well-being and education.

Where necessary, we create individual medical care plans alongside medical professional advice and with parents/carers to ensure medical care is provided to enable a child to attend school.

By fostering a supportive partnership with families and offering personalised adjustments and additional resources, we strive to ensure that every child can continue their educational journey despite health challenges or SEND.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

Pupils returning to school after a lengthy period of absence

Ashurst Wood is dedicated to providing a smooth and supportive reintegration process for pupils returning after a lengthy or unavoidable period of absence. Our approach is comprehensive, compassionate, and tailored to meet each child's unique needs.

To begin, we work closely with families to understand the reasons for the absence and any ongoing needs or concerns. Through regular meetings and open communication, we ensure that parents and caregivers are involved in planning the child's return to school. This collaborative approach helps create a supportive environment for the pupil both at home and at school.

We develop a personalised reintegration plan that may include a phased return, where the pupil gradually increases their time at school to ease the transition. Adjustments to the school timetable, curriculum, and classroom environment are made to accommodate any specific needs the pupil may have. This might involve additional academic support, access to learning resources, and the use of assistive technologies.

To support the pupil's emotional and social well-being, we provide access to a variety of different support. This could be through specific group/individual work with our trained support staff or planned weekly sessions with our Learning Mentor; it could be access to our Breakfast Club to provide a calmer transition into school. Children have access to a

sensory room should it be deemed useful to aid with transitions in and out of school. Our staff are trained to offer both academic and emotional support, ensuring that the pupil feels welcomed and valued as they reintegrate into the school community. Regular check-ins with the pupil help monitor their progress and address any emerging concerns promptly.

By working collaboratively with families, making necessary adjustments, and offering targeted support, we strive to make the transition back to school as smooth and successful as possible for every pupil.

Deletions from the register/removal from school roll

Parents must ensure they inform the school of any change of address, contact details or family circumstances. Should a parent/carer advise they are moving and will be removing their child(ren) from the school roll, the school must attempt to obtain the parent's new address and the name of new school the child will be attending. If this information has not been supplied, the school must inform their EWO if the child leaves without obtaining any forwarding information.

In accordance with the Education (Pupil Registration) (England) Regulations 2006, children will only be deleted from the register when one of the following circumstances applies:

- Permanent exclusion has occurred, and procedures have been completed.
- Transfer between schools.
- Children withdrawn to be educated outside the school system (educated otherwise).

The school will report a child is 'Missing from Education' to the Local Authority, following 10 consecutive days of absence, when all checks have been exhausted. This will include: telephone calls to all known numbers on the school system, including relatives, discussion with class teacher and known friends of pupil, home visit by school. The school will email the Local Authority with the relevant information and await confirmation to remove.

Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level.
- Identify whether or not there are particular groups of children whose absences may be a cause for concern and monitor this more frequently than half-termly.

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the Local Governing Board.

From the start of the 2024 to 2025 academic year, it will be mandatory for schools to share their attendance data with the Department for Education (DfE). The school has granted the DfE access to its management information system so the data can be accessed regularly and securely.

Evaluating attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance and use this analysis to provide targeted support to these pupils and their families.
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns.

Using data to help improve attendance

The school will:

- Provide regular attendance reports to class teachers, and other school leaders, to facilitate discussions with pupils and families.
- Include attendance in termly report cards to support families in understanding whether their attendance is a cause for concern.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every year by the Headteacher. At every review, the policy will be approved by the Local Governing Board.

LEAVE OF ABSENCE NOT APPROVED

Dear Parent Name

Re: Request for Leave of Absence

I refer to your leave of absence request to take {pupil name} out of school for the period {dates}.

The Education (Pupil Registration) (England) (Amendment) Regulations 2013 to the Education (Pupil Registration) (England) Regulations 2006 states that the Headteacher may not authorise any leave of absence during term time (i.e. holiday taken in term time).

I am unable to authorise this absence, as it is not deemed as exceptional leave. Should you decide to go ahead with this holiday, a Penalty Notice request may be made to West Sussex Local Authority who may issue a Penalty Notice to each parent for taking a child out of school during term time.

A Fixed Penalty Notice if issued, are issued per parent, per child and charged at £160 if paid within 28 days. In some cases, you may be offered the opportunity to pay a reduced amount of £80 if paid within 21 days.

Please note, for repeat offences of holidays in term time court action will be the likely outcome. In addition, absences in respect of 15 school days or more for the purposes of a holiday/travel abroad a FPN will not be offered and instead the matter will be referred directly to the Courts.

I trust this will not be the case and you make alternative arrangements for your holiday during the school holiday period.

Thank you for your attention matter in this matter.

Should the fines remain unpaid at the end of this period of time you may be prosecuted for failing to ensure regular and punctual school attendance of your **children**. This is a criminal offence under Section 444 of the Education Act 1996 and carries a maximum fine of £1,000 per parent.

There are only 190 days in the school year which means that there are 175 non-school days left for holidays, treats and shopping. It is in everybody's interest to avoid the consequences of a child's extended absence from school.

I trust this will not be the case and you will make alternative arrangements for this absence to be taken during the next school holiday period.

FIRST CONCERN UNDER 95% ATTENDANCE

Date:
Parent Name
Parent Address

Dear Parent Name

As part of our commitment to improving the attainment of our pupils we monitor pupil attendance on a regular basis. During our regular monitoring of pupil attendance, we identify any pupil whose attendance causes concern, falling below 95%. We then issue a first letter to register our concern with parents.

We are therefore writing to you due to **NAME** current level of attendance:

Attendance	%
Authorised Absences	%
Unauthorised Absences	%

The information below shows how attendance can affect your child's future progression.

Above 97%: Less than 6 days absence a year

Excellent attendance! These young people will almost certainly get the best grades they can, leading to better prospects for the future. Pupils will also get into a habit of attending school which will help in the future.

95%: 10 days absence a year

These pupils are likely to achieve good grades and form a habit of attending school regularly. Pupils who take a 2 week holiday every year can only achieve 95% attendance.

90%: 19 days absence a year

Young people in this group are missing a month of school per year; it will be difficult for them to achieve their best. The Government classes Young People in this group as "Persistent Absentees", and it will be almost impossible to keep up with work. Parents of young people in this group could also face the possibility of legal action being taken by the Local Authority.

If you have any queries or would like to talk to anyone about attendance, please do not hesitate to contact Mrs Hobby on 01342 822584.

Yours sincerely

It is the Headteacher's decision as to whether to accept any parental explanation for absence, and that I need to make you aware that absences due to illness **will no longer be authorised without medical evidence**. Some examples of medical evidence include: a letter from your doctor, a copy of your child's prescription or a medical appointment card.

I will be monitoring your child's attendance and should there be any **further** unauthorised absences I will invite you to attend a meeting in school to discuss your child's attendance. If appropriate, I will also issue you a notice to improve.

Every day in school counts towards **Child's Name** future, and I thank you in advance for supporting our Schools in ensuring excellent school attendance.

If you have any queries or would like to talk to anyone about attendance, please do not hesitate to contact Mrs Hobby on 01342 822584.

You will recall that I wrote to you on (date) regarding **Name's** poor attendance at Ashurst Wood Primary School. You will notice that further unauthorised absences have occurred.

Unfortunately, **Name's** attendance has failed to improve sufficiently, and you have failed to contact me at the school. I am therefore inviting you to attend a meeting at the school to discuss ways to support you to improve your child's attendance. Consideration may also be given to issuing a 'notice to improve' and or/a Penalty Notice for unauthorised absence.

If you wish to make me aware of any difficulties or do not understand aspects of this letter, please contact me on the above telephone number.

Yours sincerely

NOTICE TO IMPROVE

Date:

Parent Name:

Dear Parent Name

Re: Name of Child

School attendance is hugely important. For your child to gain the full benefit from their education, for their learning, wellbeing, and wider development, they need to attend on time, every day possible.

If a child of compulsory school age who is a registered pupil at a school fails to attend regularly at the school, the child's parent may be guilty of an offence under S.444 Education Act 1996. The offences under the Education Act 1996 also include when a pupil is accessing alternative provision.

On reviewing our records, it is clear we have raised our concerns with you regarding Pupil Name's attendance and this included:
(examples could include)

- **Telephone Calls** – We have contacted you every day your child was absent to understand the reason for this and to offer support with any issues your child may be having.
- **Attendance Concern Letter** – We have written to you, letting you know of our concerns around your child's attendance at school and the impact of their continued absence, inviting you to contact us to discuss the situation further.
- **An Attendance Support Meeting Invite** – We have invited you to a meeting to discuss your child's attendance and absence. We notified you of the consequences should your child continue to have unauthorised absence, and you did not effectively engage in the support offered.
- **Request for medical evidence** – We have written to you to explain that due to the number of medical absences, your child has had and the nature of the reasons you cite as medical, we now need medical evidence to support any medical reason given for absence.
- **Timetable Amendments** – We introduced an individualised timetable as a method of improving your child's attendance. This has not been engaged with regardless of the adaptations implemented.

Unfortunately, despite the actions taken attendance remains a cause of concern and your child has been recorded as absent without authority for XX sessions; each school day is made up of 2 sessions.

You now have XX school days in which to improve your child's attendance. During this time, you must ensure your child shows significant improvement in attendance and avoid them having any unauthorised absence from school.

Should further unauthorised absence occur, a referral may be made to the Local Authority for consideration of a Fixed Penalty Notice (FPN) and/or Court action including the use of Education Supervision Orders (ESO). It remains the Local Authority's decision on the type of intervention offered or used.

If a FPN is used, they are issued per parent, per child and are charged at £160 if paid within 28 days. In some cases, you may be offered the opportunity to pay a reduced amount of £80 if paid within 21 days.

Please note a referral may be made as soon as any further unauthorised absence is recorded, and we do not have to wait until the end of the 20-day period.

Should you wish to discuss your child's attendance please do make contact at the earliest opportunity.

Yours sincerely

PUNCTUALITY CONCERN LETTER

Date:

Parent Name:
Parent Address

Dear

I have noticed that **name** has arrived late to school, after the register has been taken on numerous occasions so far, this academic year.

Children are invited to come into school from 8.40am each morning with the register being taken at 8.50am, lateness (L code) is recorded from 8.50am until 9.05am. Any lateness after 9.05am is recorded as late after register closes (U code) and thus will be treated as an unauthorised absence for the am session. Pupils who are continually late after the close of register could be issued with a Fixed Penalty Notice (Fine of £80 rising to £160 if not paid within 28 days)

Please can you ensure your child is in school at the appropriate times and when the register is open. If you require any support from the school, please do not hesitate to contact either myself or Mrs Blake Hatton, Deputy Head/SENCO.

Yours sincerely

Lisa Hobby
