Attendance this week: 93.45%
Attendance from September 2025: 97.13%

Thank you for all your support in improving our attendance and reducing the number of lost learning days.

Dear Families,

We would like to extend our sincere thanks to all parents and carers for your support during the recent water outage, and for helping your children continue their learning at home wherever possible. Your flexibility and cooperation are truly appreciated.

Our School Council has been working hard over the last term to review our school uniform and gather pupils' views. We would now welcome parents' opinions on the current uniform, which has been in place since 2010 when the school transitioned from a green to a pink design.

Please take a few minutes to complete the survey, as your feedback is essential before any uniform changes are considered. The survey will remain open until **January 30th**

The link for the survey is [Uniform Survey 2026](#)

Polite Reminders and Notices

PINS Webinar: Supporting High Masking Needs in Neurodivergent Girls

A session for Parents / Carers and School Staff

Wednesday 21st January 2026

Via Microsoft Teams

4.00-5.30pm Early Session [join link](#)

7.00-8.30pm Late Session [join link](#)

Children can appear engaged at school, but may show their challenges more openly in the comfort of home. Home can often be a place where they process and release stress and where emotions and needs become more visible.

This webinar looks at masking, especially in girls, and how neurodivergent children sometimes conceal their struggles to navigate school and social environments.

In this session, Dr Pooky Knightsmith will support you to:

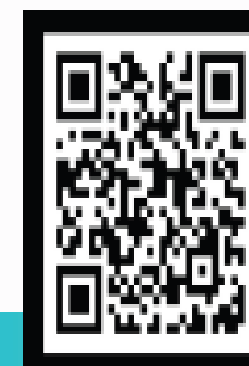

Spot the subtle signs that a/your child is masking

Understand the impact on their wellbeing, including anxiety, burnout, and emotional school avoidance

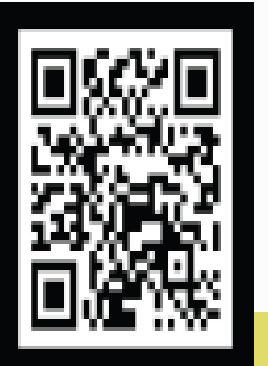

Discover practical, ready to use strategies that help children feel safe to unmask

We'll look at masking across the neurodivergent spectrum: including autism, ADHD, dyslexia, and more and explore small, thoughtful shifts that can make a big difference in supporting children both at school and at home.

THIS YEAR’S KEY DATES!

To help with organisation, below you will find key whole school dates for this term and outline dates for the remainder of the year to enable you to book time off to attend school events if you wish to do so. More details of specific events will be sent out closer to the time. If an event is in **red** it requires adult participation! There are more activities planned including PTFA events, but these are the key ones which need families to dedicate time to attend.
