1. Context and rationale

- 1.1. Aspirational Futures Multi Academy Trust fully recognises the contribution we can make to protect children from harm and to support and promote the welfare of all children who are pupils at our school. This policy applies to all stakeholders; this includes pupils, staff, parents, governors, volunteers, placement students and visitors. This policy will give clear direction to all stakeholders about expectations and our legal and moral responsibility to safeguard and promote the welfare of all children at our school.
- 1.2. The trust is committed to safeguarding and promoting the physical, mental and emotional welfare of every pupil. We implement a whole-school preventative approach to managing safeguarding concerns, ensuring that the wellbeing of pupils is at the forefront of all action taken. We recognise that no single professional can have a full picture of a child's needs and circumstances. If children and families are to receive the right help at the right time, everyone who comes into contact with them has a role to play in identifying concerns, sharing information and taking prompt action.
- 1.3. This policy sets out a clear and consistent framework for delivering this promise, in line with safeguarding legislation and statutory guidance. It will be achieved by:
 - 1.3.1. Ensuring that members of the trust board, local governing board, the principal, staff and all stakeholders understand their responsibilities under safeguarding legislation and statutory guidance, are alert to the signs of child abuse, and know to refer concerns to the DSL. In addition, to ensure that staff are aware that ANYONE can make a referral and understand professional challenge.
 - 1.3.2. Teaching pupils how to keep safe and recognise behaviour that is unacceptable.
 - 1.3.3. Identifying and making provision for any pupil that has been subject to, or is at risk of, abuse, neglect, or exploitation.
 - 1.3.4. Creating a culture of safer recruitment by adopting procedures that help deter, reject or identify people who might pose a risk to children.
 - 1.3.5. Endeavour to provide a safe and welcoming environment where children are respected and valued; where the voice of the child is listened to and is paramount.
 - 1.3.6. Where it is believed that a child is at risk of or is suffering significant harm, the school will follow the procedures set out by our local Safeguarding Children Partnership arrangements.

2. Definitions

- 2.1. The terms "children" and "child" refer to anyone under the age of 18. The purpose of this safeguarding policy is to ensure every pupil in the trust is safe and protected from harm. The Department for Education (DfE) 'Keeping Children Safe in Education' (September 2023), states safeguarding and promoting the welfare of children is defined for the purposes of this guidance as:

- 2.1.1. Protecting children from maltreatment;
 - 2.1.2. Preventing impairment of children’s mental and physical health or development;
 - 2.1.3. Ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
 - 2.1.4. Taking action to enable all children to have the best outcomes.
- 2.2. Children can abuse other children. This is generally referred to as **child-on-child abuse** and can take many forms. This can include (but is not limited to) bullying (including cyberbullying, prejudice-based and discriminatory bullying); sexual violence and sexual harassment; physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm; upskirting; initiating/hazing type violence and rituals; abuse in intimate personal relationships between children; consensual or non-consensual sharing of nudes or semi-nude images or videos, or causing someone to engage in sexual activity without consent.
- 2.3. For the purposes of this policy, “sexual violence” refers to the following offences as defined under the Sexual Offences Act 2003:
- 2.3.1. **Rape:** A person (A) commits an offence of rape if they intentionally penetrate the vagina, anus or mouth of another person (B) with their penis, B does not consent to the penetration, and A does not reasonably believe that B consents.
 - 2.3.2. **Assault by penetration:** A person (A) commits an offence if they intentionally penetrate the vagina or anus of another person (B) with a part of their body or anything else, the penetration is sexual, B does not consent to the penetration, and A does not reasonably believe that B consents.
 - 2.3.3. **Sexual assault:** A person (A) commits an offence of sexual assault if they intentionally touch another person (B), the touching is sexual, B does not consent to the touching, and A does not reasonably believe that B consents.
 - 2.3.4. **Causing someone to engage in sexual activity without consent:** A person (A) commits an offence if they intentionally cause another person (B) to engage in an activity, the activity is sexual, B does not consent to engaging in the activity, and A does not reasonably believe that B consents. This could include forcing someone to strip, touch themselves sexually, or to engage in sexual activity with a third party.
- 2.4. For the purposes of this policy, “**sexual harassment**” refers to unwanted conduct of a sexual nature that occurs online or offline, inside or outside of school. Sexual harassment is likely to violate a pupil’s dignity, make them feel intimidated, degraded or humiliated, and create a hostile, offensive, or sexualised environment. If left unchallenged, sexual harassment can create an atmosphere that normalises inappropriate behaviour and may lead to sexual violence. Sexual harassment can include, but is not limited to:
- 2.4.1. Sexual comments, such as sexual stories, lewd comments, sexual remarks about clothes and appearance, and sexualised name-calling.
 - 2.4.2. Sexual “jokes” and taunting.
 - 2.4.3. Physical behaviour, such as deliberately brushing against someone, interfering with someone’s clothes, and displaying images of a sexual nature.

- 2.4.4. Online sexual harassment, which may be standalone or part of a wider pattern of sexual harassment and/or sexual violence. This includes:
 - 2.4.4.1. The consensual and non-consensual sharing of nude and semi-nude images and/or videos.
 - 2.4.4.2. Sharing unwanted explicit content.
 - 2.4.4.3. Upskirting.
 - 2.4.4.4. Sexualised online bullying.
 - 2.4.4.5. Unwanted sexual comments and messages, including on social media.
 - 2.4.4.6. Sexual exploitation, coercion, and threats.
- 2.5. **Upskirting** refers to the act, as identified the Voyeurism (Offences) Act 2019, of taking a picture or video under another person's clothing, without their knowledge or consent, with the intention of viewing that person's genitals or buttocks, with or without clothing, to obtain sexual gratification, or cause the victim humiliation, distress or alarm. Upskirting is a criminal offence. Anyone, including pupils and staff, of any gender can be a victim of upskirting.
- 2.6. **Consensual and non-consensual sharing of nude and semi-nude images and/or videos**, colloquially known as "**sexting**" and "**youth produced imagery**", is defined as the sharing between pupils of sexually explicit content, including indecent imagery. Indecent imagery is defined as an image which meets one or more of the following criteria:
 - 2.6.1. Nude or semi-nude sexual posing
 - 2.6.2. A child touching themselves in a sexual way
 - 2.6.3. Any sexual activity involving a child
 - 2.6.4. Someone hurting a child sexually
 - 2.6.5. Sexual activity that involves animals
- 2.7. **Consent** is defined as having the freedom and capacity to choose to engage in sexual activity. Consent may be given to one sort of sexual activity but not another and can be withdrawn at any time during sexual activity and each time activity occurs. A person only consents to a sexual activity if they agree by choice to that activity and has the freedom and capacity to make that choice. Children under the age of 13 can never consent to any sexual activity. The age of consent is 16.

 - 6.5.2. Considering the above, staff will be aware that whilst the UK GDPR and the Data Protection Act 2018 place a duty on schools to process personal information fairly and lawfully, they also allow for information to be stored and shared for safeguarding purposes – data protection regulations do not act as a barrier to sharing information where failure to do so would result in the pupil being placed at risk of harm.
 - 6.5.3. Staff members will ensure that fear of sharing information does not stand in the way of their responsibility to promote the welfare and safety of pupils. If staff members are in doubt about sharing information, they will speak to the DSL or deputy DSL(s).

7. Early help

- 7.1. Early help means providing support as soon as the need emerges, at any point in a child's life. Staff in the trust recognise that any professional can provide early help. Our teams of pastoral staff lead on looking at whether an Early Help Assessment is

required to support the student and their family. Any pupil or family may benefit from early help, but staff will be alert to the potential need specifically for early help for pupils who:

- 7.1.1. Are disabled, have certain health conditions, or have specific additional needs
 - 7.1.2. Have SEND, regardless of whether they have a statutory EHC plan
 - 7.1.3. Have mental health needs
 - 7.1.4. Are young carers.
 - 7.1.5. Show signs of being drawn into antisocial or criminal behaviour, including gang involvement and association with organised crime groups or county lines
 - 7.1.6. Are frequently missing or going missing from care or from home
 - 7.1.7. Are at risk of modern slavery, trafficking, or sexual or criminal exploitation
 - 7.1.8. Are at risk of being radicalised
 - 7.1.9. Are misusing drugs or alcohol
 - 7.1.10. Have family members in prison, or are affected by parental offending
 - 7.1.11. Are in a family circumstance presenting challenges for them, such as drug and alcohol misuse, adult mental health problems, or domestic abuse
 - 7.1.12. Have returned home to their family from care
 - 7.1.13. Are at risk of HBA, such as FGM or forced marriage.
 - 7.1.14. Are privately fostered.
 - 7.1.15. Are displaying harmful sexual behaviours which may pose a risk to other children and themselves
 - 7.1.16. Are persistently absent from education, including persistent absences for part of the school day
 - 7.1.17. Show any other early signs of abuse, neglect any other identified reason not listed above that requires extra support or intervention to improve outcomes for families and children.
- 7.2. The DSL and pastoral staff will take the lead where early help is appropriate and consent has been gained. This includes liaising with other agencies and setting up an inter-agency assessment as appropriate. The local early help process will be followed as required to help provide the right, effective support at the right time. [Early Help Assessment - information for professionals - Lancashire County Council](#)
- 7.3. Staff may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner. Any such cases will be kept under constant review assessing the impact of the support.
- 7.4. We therefore ensure that:
- 7.4.1. All staff and volunteers can identify the risk factors that indicate a family or pupil may benefit from Early Help and can follow school procedures to share this with the DSL
 - 7.4.2. The pastoral staff will undertake a Family Early Help Assessment, when appropriate, to identify what Early Help is required
 - 7.4.3. DSLs will signpost and refer to appropriate support agencies
 - 7.4.4. DSLs will lead on TAF meetings where it is appropriate for them to do so

- 7.4.5. DSLs will follow the local safeguarding processes and refer to [Working Well with Children and Families in Lancashire](#) guidance using the Continuum of Need.

8. Abuse and neglect

- 8.1. **Abuse** is defined as a form of maltreatment of a child which involves inflicting harm or failing to act to prevent harm. Harm can include ill treatment that is not physical as well as the impact of witnessing the ill treatment of others – this can be particularly relevant, for example, in relation to the impact on children of all forms of domestic abuse. Children may be abused in a family, institutional or community setting by those known to them or by others, e.g. via the internet. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by one or multiple adults or other children.
- 8.2. **Physical abuse** is defined as a form of abuse which may involve actions such as hitting, shaking, throwing, biting, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical abuse can also be caused when a parent fabricates the symptoms of, or deliberately induces, illness in a child. Staff are aware of Female Genital Mutilation, a form of physical abuse.
- 8.3. **Emotional abuse** is defined as the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child's emotional development. This may involve conveying to a child that they are worthless, unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child the opportunities to express their views, deliberately silencing them, 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children, such as interactions that are beyond their developmental capability, overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying, including cyberbullying, causing the child to frequently feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, but it may also occur alone.
- 8.4. **Sexual abuse** is defined as abuse that involves forcing or enticing a child to take part in sexual activities, not necessarily involving violence, and regardless of whether the child is aware of what is happening. This may involve physical contact, including assault by penetration, or non penetrative acts, such as masturbation, kissing, rubbing, and touching outside of clothing. It may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can be perpetrated by people of any gender and age.
- 8.5. **Neglect** is defined as the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in serious impairment of a child's health or development. This may involve a parent or carer failing to provide a child with adequate food, clothing or shelter (including exclusion from home or abandonment);

failing to protect a child from physical or emotional harm or danger; failing to ensure adequate supervision (including through the use of inappropriate caregivers); or failing to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

- 8.6. All staff will be aware of the indicators of abuse and neglect and be vigilant and always raise concerns with the DSL. All staff, especially the DSL and deputy DSL(s), will be aware that safeguarding incidents and/or behaviours can be associated with contextual factors outside the school and/or can occur between children outside of these environments; this includes being aware that pupils can at risk of abuse or exploitation in situations outside their families (extra-familial harms.)
- 8.7. All staff will be aware that technology is a significant component in many safeguarding and wellbeing issues, including online abuse, cyberbullying, radicalisation and the sharing of indecent images.
- 8.8. ALL staff understand that children who perpetrate abuse or display harmful behaviour should be treated as victims first and foremost and supported in the same way a victim of abuse would be supported - Risk Assessments will be undertaken where a child's behaviour poses a risk to others, themselves or the environment.
- 8.9. ALL staff and volunteers understand that there are specific and emerging ways in which children can be abused and are aware of these specific issues, reporting any concerns, in the appropriate manner to the DSL.

9. Domestic abuse

- 9.1. In line with the Domestic Abuse Act 2021, domestic abuse is defined as abusive behaviour of a person towards another person where both are aged 16 or over and are personally connected. Abusive behaviour includes physical or sexual abuse, violent or threatening behaviour, controlling or coercive behaviour, economic abuse, psychological or emotional abuse, or another form of abuse.
- 9.2. The trust will recognise the serious, long lasting emotional impact of domestic abuse on children, as victims in their own right, if they see, hear or experience the effects of domestic abuse. All staff will be aware of the signs of domestic abuse and follow the appropriate safeguarding procedures where concerns arise.
- 9.3. The trust has commitment to Operation Encompass and informing all stakeholders of the initiative. For Operation Encompass, see www.operationencompass.org

10. Homelessness

- 10.1. The DSL and deputy DSL(s) are aware of the contact details and referral routes into the Local Housing Authority so that concerns and support over homelessness can be raised as early as possible. Indicators that a family may be at risk of homelessness include:
 - 10.1.1. Household debt
 - 10.1.2. Rent arrears
 - 10.1.3. Domestic abuse
 - 10.1.4. Anti-social behaviour
 - 10.1.5. Any mention of a family moving home because "they have to" or frequent moves.

- 10.2. Referrals to the Local Housing Authority do not replace referrals to CSC where a child is being harmed or at risk of harm. For 16- and 17-year-olds, homelessness may not be family-based and referrals to CSC will be made as necessary where concerns are raised.

11. Children absent from school

- 11.1. Staff will be aware a child being absent from school is a potential indicator of abuse or neglect and, as such, these pupils are particularly at risk of being victims of harm, sexual and criminal exploitation, forced marriage, female genital mutilation or radicalisation. Staff will monitor pupils that are absent from school, particularly on repeat occasions, and report them to the DSL following normal safeguarding procedures, and in accordance with the Attendance Policy. The school will inform the LA of any pupil who fails to attend regularly or has been absent without the school's permission for a continuous period of 10 school days or more, in accordance with LA protocol.
- 11.2. Where reasonably possible schools and colleges will hold more than one emergency contact number for their pupils and students.
- 11.3. The trust will follow local guidance when children go missing from home
<https://www.safeguardingpartnership.org.uk/missing-from-home-protocol-trigger-plan/>

12. Children attending an approved educational activity

- 12.1. An approved educational activity is where a pupil is attending another school at which they are registered or taking part in off-site activity such as field trips, educational visits, work experience or unregistered alternative provision.
- 12.2. Pupils can only be recorded as attending an off-site activity if it is approved by the school, of an educational nature and supervised by someone authorised by the school. Ultimately, each school is responsible for the safeguarding and welfare of pupils taking part in an off-site educational activity so it would be reasonable to expect that the school would only authorise someone who was answerable to the school to supervise an activity. Such activities include:
- 12.2.1. Dual registered at another school
 - 12.2.2. Participating in a supervised sporting activity
 - 12.2.3. Educational visit or trip
 - 12.2.4. Work experience.
- 12.3. All relevant school/trust policies continue to apply throughout any approved educational activity. Any activity which is approved will be risk assessed (where relevant) and school will ensure that attendance at any activity is monitored and robust communication is agreed with the provider/accompanying adults.

13. Child criminal exploitation (CCE)

- 13.1. Child criminal exploitation is defined as a form of abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into taking part in criminal activity, for any of the following reasons:
- 13.1.1. In exchange for something the victim needs or wants

- 13.1.2. For the financial advantage or other advantage of the perpetrator or facilitator
- 13.1.3. Through violence or the threat of violence (this could be online or through technology)
- 13.2. Specific forms of CCE can include:
 - 13.2.1. Being forced or manipulated into transporting drugs or money through county lines.
 - 13.2.2. Working in cannabis factories.
 - 13.2.3. Shoplifting or pickpocketing.
 - 13.2.4. Committing vehicle crime.
 - 13.2.5. Committing, or threatening to commit, serious violence to others.
- 13.3. The trust will recognise that pupils involved in CCE are victims themselves, regardless of whether they have committed crimes, and even if the criminal activity appears consensual. The trust will also recognise that pupils of any gender are at risk of CCE.
- 13.4. Staff will be aware of the indicators that a pupil is the victim of CCE, including:
 - 13.4.1. Associating with other children involved in exploitation
 - 13.4.2. Suffering from changes in emotional wellbeing
 - 13.4.3. Misusing drugs or alcohol
 - 13.4.4. Going missing for periods of time or regularly coming home late
 - 13.4.5. Regularly missing school or education
 - 13.4.6. Appearing with unexplained gifts, money or new possessions.
- 13.5. Criminal exploitation of children can include **County Lines**. This is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or criminal networks / gangs groom and exploit children and young people to carry drugs and money into one or more areas. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked or the purpose of transporting drugs and a referral to the [National Referral Mechanism](#) should be considered in addition to normal safeguarding procedures.
- 13.6. As well as the general indicators for CCE, school staff will be aware of the specific indicators that a pupil may be involved in county lines, including:
 - 13.6.1. Going missing and subsequently being found in areas away from their home.
 - 13.6.2. Having been the victim or perpetrator of serious violence, e.g. knife crime.
 - 13.6.3. Receiving requests for drugs via a phone line, moving drugs, collecting money
 - 13.6.4. Being found in accommodation they have no connection
 - 13.6.5. Owing a 'debt bond' to their exploiters
 - 13.6.6. Having their bank account used to facilitate drug dealing.

14. **Child sexual exploitation (CSE)**

- 14.1. Child Sexual Exploitation is defined as a form of sexual abuse where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity, for any of the following reasons:
 - 14.1.1. In exchange for something the victim needs or wants
 - 14.1.2. For the financial advantage, increased status or other advantage of the perpetrator or facilitator

- 14.1.3. Through violence or the threat of violence, this could be online or through technology.
- 14.2. The trust will recognise that CSE can occur over time or be a one-off occurrence, and may happen without the pupil's immediate knowledge, e.g. through others sharing videos or images of them on social media. The trust will recognise that CSE can affect any pupil who has been coerced into engaging in sexual activities, even if the activity appears consensual; this includes pupils aged 16 and above who can legally consent to sexual activity. The trust will also recognise that pupils may not realise they are being exploited and they believe they are in a genuine romantic relationship.
- 14.3. Staff will be aware of the key indicators that a pupil is the victim of CSE, including:
 - 14.3.1. Appearing with unexplained gifts, money or new possessions.
 - 14.3.2. Associating with other children involved in exploitation.
 - 14.3.3. Suffering from changes in emotional wellbeing.
 - 14.3.4. Misusing drugs or alcohol.
 - 14.3.5. Going missing for periods of time or regularly coming home late.
 - 14.3.6. Regularly missing school or education or not taking part.
 - 14.3.7. Having older boyfriends or girlfriends.
 - 14.3.8. Suffering from sexually transmitted infections.
 - 14.3.9. Displaying sexual behaviours beyond expected sexual development.
 - 14.3.10. Becoming pregnant.
- 14.4. All staff will consider the language and terms used when raising concerns and providing ongoing support to pupils who have experienced abuse through exploitation to ensure victims are not unintentionally blamed or seen as active participants in their own abuse.
- 14.5. Where CSE, or the risk of it, is suspected, staff will discuss the case with the DSL. If after discussion a concern remains, local safeguarding procedures will be triggered.

15. **Concealed and denied pregnancy**

- 15.1. **A concealed pregnancy** is when a woman knows she is pregnant but does not tell anyone; or when she tells a professional but conceals the fact that she is not accessing antenatal care; or when she tells another person or persons and together they conceal the fact from all agencies. .
- 15.2. **A denied pregnancy** is when an expectant mother is unaware of or unable to accept the existence of her pregnancy. Physical changes to the body may not be present or be misconstrued; they may be intellectually aware of the pregnancy but continue to think, feel and behave as though they were not pregnant.
- 15.3. There may be a number of reasons why a pregnancy is concealed or denied, including, but not limited to; fear of stigma or shame, in cases of rape, sexual or domestic abuse, forced or sham marriage, in cases of rape, sexual or domestic abuse, forced or sham marriage, fear of a child being removed or asylum seekers and illegal immigrants who may be reluctant to come to the attention of authorities. In some cases the woman may be truly unaware that she is pregnant. In some cases an expectant mother may be in denial of her pregnancy.
- 15.4. Where there is a suspicion of a concealed or denied pregnancy, the school will follow the procedures set out by our local Safeguarding Children Partnership arrangements.

[Blackburn with Darwen, Blackpool and Lancashire Children's Safeguarding Assurance Partnership \(proceduresonline.com\)](#)

- 15.5. Further training is available for staff regarding concealed or denied pregnancy [Concealed-and-Denied-Pregnancy-2020-7MB.pdf \(lancshiresafeguarding.org.uk\)](#)

16. Modern slavery

- 16.1. Modern slavery encompasses human trafficking and slavery, servitude, and forced or compulsory labour. This can include CCE, CSE, and other forms of exploitation. All staff will be aware of and alert to the signs that a pupil may be the victim of modern slavery. Staff will also be aware of the support available to victims of modern slavery and how to refer them to the National Referral Mechanism. (From The Modern Slavery Act 2015, Section 52)
- 16.2. The public authority (including schools) bears this obligation where it has 'reasonable grounds to believe that a person may be a victim of slavery or human trafficking'.

17. FGM

- 17.1. FGM is defined as all procedures involving the partial or total removal of the external female genitalia or other injury to the female genital organs. FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences.
- 17.2. All staff will be alert to the possibility of a pupil being at risk of FGM, or already having suffered FGM. If staff are worried about someone who is at risk of FGM or who has been a victim of FGM, they are required to share this information with CSC and/or the police. The trust's procedures relating to managing cases of FGM and protecting pupils will reflect multi-agency working arrangements.
- 17.3. As outlined in Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015), teachers are legally required to report to the police any discovery, whether through disclosure by the victim or visual evidence, of FGM on a pupil under the age of 18. Teachers failing to report such cases may face disciplinary action. Teachers will not examine pupils, and so it is rare that they will see any visual evidence, but they must personally report to the police where an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should also consider and discuss any such case with the DSL and involve CSC as appropriate. NB: This does not apply to any suspected or at-risk cases, nor if the individual is over the age of 18. In such cases, local safeguarding procedures will be followed.
- 17.4. All staff will be aware of the indicators that pupils may be at risk of FGM. While some individual indicators may not indicate risk, the presence of two or more indicators could signal a risk to the pupil. It is important to note that the pupil may not yet be aware of the practice or that it may be conducted on them, so staff will be sensitive when broaching the subject. Indicators that a pupil may be at heightened risk of undergoing FGM include:
- 17.4.1. The socio-economic position of the family and their level of integration into UK society
- 17.4.2. The pupil coming from a community known to adopt FGM

- 17.4.3. Any girl with a mother or sister who has been subjected to FGM
 - 17.4.4. Any girl withdrawn from PSHE
 - 17.4.5. Travel abroad or a long holiday with relatives to a country known to practise FGM.
- 17.5. FGM is included in the definition of honour-based' abuse (HBA) which involves crimes that have been committed to defend the honour of the family and/or community. All forms of HBA are forms of abuse and will be treated and escalated as such. Staff will be alert to the signs of HBA, including concerns that a child is at risk of HBA, or has already suffered from HBA, and will consult with the DSL who will activate local safeguarding procedures if concerns arise.

18. Forced marriage

- 18.1. Forced marriage is defined as a marriage that is entered into without the full and free consent of one or both parties, and where violence, threats or any other form of coercion is used to cause a person to enter into the marriage. Threats can be physical, emotional, or psychological. A lack of full and free consent can be where a person does not consent or where they cannot consent, e.g. due to some forms of SEND. Forced marriage is a crime in the UK and a form of HBA.
- 18.2. Staff who have any concerns regarding a pupil who may have undergone, is currently undergoing, or is at risk of forced marriage will speak to the DSL and local safeguarding procedures will be followed – this could include referral to CSC, the police or the Forced Marriage Unit. It will be made clear to staff members that they should not approach the pupil's family or those with influence in the community, without the express consent of the pupil, as this will alert them to the concerns and may place the pupil in further danger.

19. Extremism and radicalisation

- 19.1. **Extremism** refers to the vocal or active opposition to fundamental British values, including democracy, the rule of law, individual liberty, and the mutual respect and tolerance of different faiths and beliefs. Extremism also includes calling for the death of members of the armed forces.
- 19.2. **Radicalisation** refers to the process by which a person comes to support terrorism and extremist ideologies associated with terrorist groups.
- 19.3. **Terrorism** refers to an action that endangers or causes serious violence to a person or people, serious damage to property, or seriously interferes with or disrupts an electronic system. The use or threat of these actions must be designed to influence the government or intimidate the public, and be made for the purpose of advancing a political, religious or ideological cause.
- 19.4. Protecting pupils from the risk of radicalisation is part of the trust's wider safeguarding duties. The trust will actively assess the risk of pupils being radicalised and drawn into extremism and/or terrorism. Staff will be alert to changes in pupils' behaviour which could indicate that they may need help or protection. Staff will use their professional judgement to identify pupils who may be at risk of radicalisation and act appropriately, which may include contacting the DSL or making a Prevent referral. The trust will work with local safeguarding arrangements as appropriate to

ensure awareness of local & national incidents that may heighten the activity of extreme groups or cause increased curiosity of children.

- 19.5. The trust will ensure that they engage with parents and families, as they are in a key position to spot signs of radicalisation. In doing so, each school will assist and advise family members who raise concerns and provide information for support mechanisms. Any concerns over radicalisation will be discussed with the pupil's parents, unless the school has reason to believe that the child would be placed at risk as a result.
- 19.6. The DSL will undertake Prevent awareness training to be able to provide advice and support to other staff on how to protect pupils against the risk of radicalisation and ensure that all staff and governors have received appropriate and up-to date training.
- 19.7. The Online Safety Policy will support the safeguarding of children online by ensuring they cannot access terrorist and extremist material when using the internet and that suitable filtering and monitoring software and supervision is in place.
- 19.8. DSLs understand when it is appropriate to make a referral to the Channel Panel and are aware of how to do so. 'Notice. Check. Share.'
- 19.9. **The Prevent duty.** Under section 26 of the Counter-Terrorism and Security Act 2015, all schools are subject to a duty to have "due regard to the need to prevent people from being drawn into terrorism", known as the Prevent duty, forming part of the school's wider safeguarding obligations. The trust will ensure that ALL Staff, Governors and volunteers are informed and have 'due regard to the need to prevent people from being drawn into terrorism', known as the 'Prevent Duty' and follow guidance from www.lancashirepreventpartnership.org.uk
- 19.10. Prevent referral process - click [here](#).

20. Private fostering

Where a period of UK homestay lasts 28 days or more for a child aged under 16, or under 18 for a child with SEND, this may amount to private fostering under the Children Act 1989. Where a school becomes aware of a pupil being privately fostered, they will notify CSC as soon as possible to allow the LA/CSC to conduct any necessary checks.

21. Pupils with family members in prison

Pupils with a family member in prison will be offered pastoral support as necessary. They will receive a copy of '[Are you a young person with a family member in prison?](#)' from Action for Prisoners. Families where appropriate and allowed the opportunity to discuss questions and concerns.

22. Child-on-child abuse including sexualised abuse

- 22.1. Child-on-child abuse is defined as abuse between children under 18 years of age. The trust has a zero-tolerance approach to abuse, including child-on-child abuse and will refer to the specific guidance in Keeping Children Safe in Education Part five: Child on Child Sexual Violence and Sexual Harassment and Lancashire Procedures. 5.31 Peer Abuse (proceduresonline.com)

- 22.2. All staff will be aware that child-on-child abuse can occur between pupils of any age and gender, both inside and outside of school, as well as online. All staff will be aware of the indicators of child-on-child abuse, how to identify it, and how to respond to reports. All staff will also recognise that even if no cases have been reported, this is not an indicator that child-on-child abuse is not occurring. All staff will speak to the DSL if they have any concerns about child-on-child abuse.
- 22.3. All staff will understand the importance of challenging inappropriate behaviour between peers and will not tolerate abuse as “banter” or “part of growing up”. Child-on-child abuse can be manifested in many different ways, including:
 - 22.3.1. Bullying, including cyberbullying and prejudice-based or discriminatory bullying.
 - 22.3.2. Abuse in intimate personal relationships between peers.
 - 22.3.3. Physical abuse – this may include an online element which facilitates, threatens and/or encourages physical abuse.
 - 22.3.4. Sexual violence – this may include an online element which facilitates, threatens and/or encourages sexual violence.
 - 22.3.5. Sexual harassment, including online sexual harassment, which may be standalone or part of a broader pattern of abuse.
 - 22.3.6. Causing someone to engage in sexual activity without consent.
 - 22.3.7. The consensual and non-consensual sharing of nude and semi-nude images and/or videos.
 - 22.3.8. Upskirting.
 - 22.3.9. Initiation and hazing-type violence and rituals, which can include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group, and may also include an online element.
- 22.4. All staff will be clear as to the trust’s policy and procedures regarding child-on-child abuse and the role they have to play in preventing it and responding where they believe a child may be at risk from it.
- 22.5. All staff will be made aware of the heightened vulnerability of pupils with SEND, who evidence suggests are more likely to be abused than their peers. Staff will not assume that possible indicators of abuse relate to the pupil’s SEND and will always explore indicators further.
- 22.6. All staff will be made aware of the heightened vulnerability of LGBTQ+ pupils, who evidence suggests are also more likely to be targeted by their peers. In some cases, pupils who are perceived to be LGBTQ+, regardless of whether they are LGBTQ+, can be just as vulnerable to abuse as LGBTQ+ pupils. The trust’s response to sexual violence and sexual harassment between pupils of the same sex will be equally as robust as it is for incidents between children of the opposite sex. Being LGBTQ+ in itself is not a safeguarding risk but can make pupils more likely to suffer safeguarding issues.
- 22.7. Pupils will be made aware of how to raise concerns or make a report and how any reports will be handled. This includes the process for reporting concerns about friends or peers. Pupils will also be reassured that they will be taken seriously, be supported, and kept safe. This process will be continually reviewed by DSL/SLT.
- 22.8. The trust and DSL will consider:

- 22.8.1. the wishes of the victim in terms of how they want to proceed
 - 22.8.2. the nature of the alleged incident
 - 22.8.3. the ages of the children involved
 - 22.8.4. the development stages of the children involved
 - 22.8.5. any power imbalance between the children
 - 22.8.6. is the incident a one-off or a sustained pattern of abuse
 - 22.8.7. are there ongoing risks to the victim, other children, school or college staff
 - 22.8.8. contextual safeguarding issues.
- 22.9. Following a report of sexual violence, the designated safeguarding lead (or deputy) will make an immediate risk and needs assessment, considering:
- 22.9.1. the victim
 - 22.9.2. the alleged perpetrator
 - 22.9.3. all other children (and if appropriate adult students and staff)
 - 22.9.4. Risk assessments (if required) will be recorded and kept under review as a minimum termly
 - 22.9.5. • Refer to Guidance in Keeping Children Safe in Education Sept 2023, Part 5.

23. Serious violence

- 23.1. Through training, all staff will be made aware of the indicators which may signal a pupil is at risk from, or is involved with, serious violent crime. These indicators include, but are not limited to:
- 23.1.1. Increased absence from school.
 - 23.1.2. A change in friendships.
 - 23.1.3. Relationships with older individuals or groups.
 - 23.1.4. A significant decline in academic performance.
 - 23.1.5. Signs of self-harm.
 - 23.1.6. A significant change in wellbeing.
 - 23.1.7. Signs of assault.
 - 23.1.8. Unexplained injuries.
 - 23.1.9. Unexplained gifts or new possessions.
- 23.2. Staff will be made aware of some of the most significant risk factors that could increase a pupil's vulnerability to becoming involved in serious violence. These risk factors include, but are not limited to:
- 23.2.1. Being male.
 - 23.2.2. Having been frequently absent from school.
 - 23.2.3. Having been permanently excluded from school.
 - 23.2.4. Having experienced child maltreatment or trauma.
 - 23.2.5. Having been involved in offending, such as theft or robbery.
- 23.3. Staff members who suspect a pupil may be vulnerable to, or involved in, serious violent crime will immediately report their concerns to the DSL.

24. Online safety

- 24.1. The trust will adhere to the Online Safety Policy at all times and is committed to keeping children safe online. The trust recognises that addressing online safety issues should form an integral part of each school's safeguarding arrangements. As

part of a broad and balanced curriculum, all pupils will be made aware of online risks and taught how to stay safe online.

- 24.2. Each school will ensure that suitable filtering systems are in place on ICT equipment to prevent children accessing inappropriate material. This system will be monitored and reviewed with any inappropriate behaviours or searches being followed up appropriately.
- 24.3. Further information regarding the trust's approach to online safety can be found in the Online Safety Policy.
- 24.4. When a school becomes aware of an online safety issue that has occurred outside of school, it is managed in accordance with the Online Safety Policy and Behaviour Policy.
- 24.5. Staff will be aware that ongoing in-person monitoring is required in addition to the software in place as it is vital staff don't rely solely on IT systems as this may leave some children vulnerable.
- 24.6. Staff will be aware of the filtering and monitoring systems in place and will know how to escalate concerns where they are identified. Staff will be made aware of their expectations and responsibilities relating to filtering and monitoring systems during their induction.
- 24.7. **Personal electronic devices.**
 - 24.7.1. The use of personal electronic devices, including mobile phones and cameras, by staff and pupils is closely monitored by each school, in accordance with the Personal Electronic Devices/Staff Code of Conduct/Behaviour Policy.
 - 24.7.2. Where photographs and videos will involve pupils who are CLA, adopted pupils, or pupils for whom there are security concerns, the headteacher will liaise with the DSL to determine the steps involved. The DSL will, in known cases of pupils who are CLA or who have been adopted, liaise with the pupils' social workers, carers or adoptive parents to assess the needs and risks associated with the pupils.
 - 24.7.3. Staff will report any concerns about pupils' or other staff members' use of personal electronic devices to the DSL, following the appropriate procedures. Parklands High School is committed to keeping pupils safe by ensuring that electronic devices such as cameras, phones and tablets are used in an appropriate manner.
 - 24.7.4. Each school will therefore ensure that:
 - 24.7.4.1. informed parental consent is obtained to take and use photographs and/or videos of children, for use in school, to market the school or to share on social media / internet
 - 24.7.4.2. staff, visitors, volunteers and students do not use their own mobile phones or devices to take or record any images of children.
- 24.8. **Upskirting**
 - 24.8.1. Under the Voyeurism (Offences) Act 2019, it is an offence to operate equipment for the purpose of upskirting. "Operating equipment" includes enabling, or securing, activation by another person without that person's knowledge, e.g. a motion-activated camera.

- 24.8.2. Upskirting will not be tolerated by the trust. Any incidents of upskirting will be reported to the DSL, who will then decide on the next steps to take, which may include police involvement.

25. Sharing nude and semi-nude images

- 25.1. Formerly referred to as 'Sexting', sharing nudes and semi-nudes is defined as the sending or posting of nude or semi-nude images, videos or live streams online by young people under the age of 18. This could be via social media, gaming platforms, chat apps or forums. (UKCIS, 2020) UKCIS – Sharing nudes and semi-nudes: advice for education settings (UKCIS, 2020)
<https://www.gov.uk/government/publications/sharing-nudes-and-semi-nudes-advice-foreducation-settings-working-with-children-and-young-people>
- 25.2. Each school will ensure that all staff are aware to treat the sharing of indecent images as a safeguarding concern. Staff will receive appropriate training regarding child sexual development and will understand the difference between sexual behaviour that is considered normal and expected for the age of the pupil, and sexual behaviour that is inappropriate and harmful.
- 25.3. Staff will receive appropriate training around how to deal with such instances in the school community, including understanding motivations, assessing risks posed to pupils depicted in the images and how and when to report.
- 25.4. Staff will be aware that creating, possessing, and distributing indecent imagery of children is a criminal offence, regardless of whether the imagery is created, possessed, and distributed by the individual depicted; however, staff will ensure that pupils are not unnecessarily criminalised.
- 25.5. Where a member of staff becomes aware of an incident of sharing nudes/semi-nudes that involves indecent images of a pupil, they will refer this to the DSL as soon as possible. Where a pupil confides in a staff member about the circulation of indecent imagery, depicting them or someone else, the staff member will:
- 25.5.1. Refrain from viewing, copy, printing, sharing, storing or saving the imagery.
- 25.5.2. Tell the DSL immediately if they accidentally view an indecent image and seek support.
- 25.5.3. Explain to the pupil that the incident will need to be reported.
- 25.5.4. Respond positively to the pupil without blaming or shaming anyone involved, and reassuring them that they can receive support from the DSL.
- 25.5.5. Report the incident to the DSL.
- 25.6. The DSL will attempt to understand what the image contains without viewing it and the context surrounding its creation and distribution – they will categorise the incident into one of two categories:
- 25.6.1. **Aggravated:** incidents involving additional or abusive elements beyond the creation, sending or possession of nudes and semi-nudes;- including where there is an adult involved, where there is an intent to harm the pupil or where the images are used recklessly.

- 25.6.2. **Experimental:** incidents involving the creation and sending of nudes and semi-nudes with no adult involvement, no apparent intent to harm or reckless misuse.
- 25.7. Where it is necessary to view the imagery, e.g. if this is the only way to make a decision about whether to inform other agencies, the DSL should:
 - 25.7.1. never copy, print, share, store or save them; this is illegal.
 - 25.7.2. discuss the decision with the headteacher or a member of the senior leadership team
 - 25.7.3. make sure viewing is undertaken by the DSL (or equivalent) or another member of the safeguarding team with delegated authority from the headteacher or a member of the senior leadership team
 - 25.7.4. make sure viewing takes place with another member of staff present in the room, ideally the headteacher or a member of the senior leadership team.
 - 25.7.5. wherever possible, make sure viewing takes place on the premises of the education setting, ideally in the headteacher or a member of the senior leadership team's office
 - 25.7.6. make sure wherever possible that they are viewed by a staff member of the same sex as the child or young person in the images
 - 25.7.7. record how and why the decision was made to view the imagery in the safeguarding or child protection records, including who was present, why the nudes or semi-nudes were viewed and any subsequent actions.
- 25.8. If any devices need to be taken and passed onto the police, the device(s) should be confiscated and the police should be called.
- 25.9. The above summarised points are explained in further detail with important supporting guidance in the UKCIS guidance – Sharing nudes and semi-nudes: advice for education settings.

26. Context of safeguarding incidents

Safeguarding incidents can occur outside of school and can be associated with outside factors. All staff, particularly the DSL and deputy DSL(s), will always consider the context of safeguarding incidents. Assessment of pupils' behaviour will consider whether there are wider environmental factors that are a threat to their safety and/or welfare. Each school will provide as much contextual information as possible when making referrals to CSC or external agencies.

27. Pupils potentially at greater risk of harm

- 27.1. The trust recognises that some groups of pupils can face additional safeguarding challenges, and understands that further barriers may exist when determining abuse and neglect in these groups of pupils. Additional considerations for managing safeguarding concerns and incidents amongst these groups are outline below.
- 27.2. **Pupils who need social workers.** Pupils may need social workers due to safeguarding or welfare needs. These needs can leave pupils vulnerable to further harm and educational disadvantage. As a matter of routine, the DSL within each school will hold and use information from their LA about whether a pupil has a social worker in order to make decisions in the best interests of the pupil's safety, welfare, and

educational outcomes. Where a pupil needs a social worker, this will inform decisions about safeguarding, e.g. responding to unauthorised absence, and promoting welfare and educational outcomes, e.g. considering the provision pastoral or academic support and support with behaviour.

- 27.3. **Home-educated children.** Parents may choose elective home education (EHE) for their children. In some cases, EHE can mean that children are less visible to the services needed to safeguard and support them. In line with the Education (Pupil Registration) (England) Regulations 2006, each school will ensure it informs their LA of all deletions from the admissions register when a pupil is taken off roll. Where a parent has expressed their intention to remove a pupil from a school within the trust for EHE, the school and other key professionals, will coordinate a meeting with the parent, where possible, before the final decision has been made, particularly if the pupil has SEND, is vulnerable, and/or has a social worker. Where children are removed from roll for Elective Home Education and there are safeguarding concerns, the school will ensure that concerns are shared with the LA.
- 27.4. **CLA.** Children most commonly become looked after because of abuse and/or neglect. Because of this, they can be at potentially greater risk in relation to safeguarding. Previously CLA, also known as care leavers, can also remain vulnerable after leaving care. Each school will ensure that the appropriate staff have the information they need, such as:
- 27.4.1. Looked after legal status, i.e. whether they are looked after under voluntary arrangements with consent of parents, or on an interim or full care order.
 - 27.4.2. Contact arrangements with parents or those with parental responsibility.
 - 27.4.3. Care arrangements and the levels of authority delegated to the carer by the authority looking after the pupil.
- 27.5. **Pupils with SEND.** When managing safeguarding in relation to pupils with SEND, staff within the trust and its schools will be aware of the following:
- 27.5.1. Certain indicators of abuse, such as behaviour, mood and injury, may relate to the pupil's disability without further exploration; however, it should never be assumed that a pupil's indicators relate only to their disability
 - 27.5.2. Pupils with SEND can be disproportionately impacted by issues such as bullying, without outwardly showing any signs
 - 27.5.3. Communication barriers may exist, as well as difficulties in overcoming these barriers
 - 27.5.4. When reporting concerns or making referrals for pupils with SEND, the above factors will always be taken into consideration. When managing a safeguarding issue relating to a pupil with SEND, the DSL will liaise with the school's SENCO, as well as the pupil's parents where appropriate, to ensure that the pupil's needs are met effectively.
- 27.6. **LGBTQ+ pupils.** The fact that a pupil may be LGBTQ+ is not in itself an inherent risk factor for harm; however, staff will be aware that LGBTQ+ pupils can be targeted by other individuals. Staff will also be aware that, in some cases, a pupil who is perceived by others to be LGBTQ+ (whether they are or not) can be just as vulnerable as pupils who identify as LGBTQ+. Staff will also be aware that the risks to these pupils can be compounded when they do not have a trusted adult with whom they

can speak openly with. All staff will endeavour to reduce the additional barriers faced by these pupils and provide a safe space for them to speak out and share any concerns they have.

- 27.7. **Adverse Childhood Experiences and trauma.** We acknowledge that children who have experienced adverse childhood experiences and trauma may be at increased risk of developing health and social difficulties. All staff will be made aware of the long-lasting impact of experiencing adversity and the lasting effect trauma can have on a child's development. Where a pupil is known to have experienced trauma, appropriate arrangements will be made to provide support based on the needs of the pupil and in line with all relevant guidance and policies. This may include close multi-agency working with external services.

28. Extracurricular activities and clubs and use of school premises by external organisations

- 28.1. Extra-curricular activities and clubs hosted by external bodies, e.g. charities or companies, will work in collaboration with the school to effectively safeguard pupils and adhere to local safeguarding arrangements.
- 28.2. Staff and volunteers running extracurricular activities and clubs are aware of their safeguarding responsibilities and promote the welfare of pupils. Paid and volunteer staff understand how they should respond to child protection concerns and how to make a referral to CSC or the police, if necessary.
- 28.3. Each school will always consider safeguarding arrangements when an extracurricular activity or club is arranged in view of DSL availability or ensuring that a transfer of control document has been completed for external agencies and the school is satisfied that the agency has appropriate safeguarding policies and procedures in place.
- 28.4. Where the governing board/body hires or rents out school facilities or the school premises to organisations or individuals, e.g. for providers to run community or extracurricular activities, it will ensure that appropriate safeguarding arrangements are in place to keep pupils safe. The school will refer to the DfE's guidance on keeping children safe in out-of-school settings in these circumstances.
- 28.5. Where the governing board provides the activities under the direct supervision or management of school staff, child protection arrangements will apply. Where activities are provided separately by another body, this may not be the case; therefore, the governing board will seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place, including inspecting these as needed. The governing board will also ensure that there are arrangements in place to liaise with the school on these matters where appropriate. The governing board will ensure safeguarding requirements are included in any transfer of control agreement, i.e. a lease or hire agreement, as a condition of use and occupation of the premises, and specify that failure to comply with this would lead to termination of the agreement.

29. Alternative provision

Each school will remain responsible for a pupil's welfare during their time at an alternative provider. When placing a pupil with an alternative provider, the school will obtain written

confirmation that the provider has conducted all relevant safeguarding checks on staff and have clear communication procedures in place in view of attendance.

30. Managing referrals

- 30.1. All staff members, in particular the DSL, will be aware of the LA's arrangements in place for managing referrals. The DSL will provide staff members with clarity and support where needed. When making a referral to CSC or other external agencies, information will be shared in line with confidentiality requirements and will only be shared where necessary to do so.
- 30.2. The DSL will work alongside external agencies, maintaining continuous liaison, including multi-agency liaison where appropriate, in order to ensure the wellbeing of the pupils involved. The DSL will work closely with the police to ensure the school does not jeopardise any criminal proceedings, and to obtain help and support as necessary.
- 30.3. Where a pupil has been harmed or is in immediate danger or at risk of harm, the referrer will be notified of the action that will be taken within one working day of a referral being made. Where this information is not forthcoming, the referrer will contact the assigned social worker for more information.
- 30.4. The school will not wait for the start or outcome of an investigation before protecting the victim and other pupils: this applies to criminal investigations as well as those made by CSC. Where CSC decide that a statutory investigation is not appropriate, the school will consider referring the incident again if it is believed that the pupil is at risk of harm. Where CSC decide that a statutory investigation is not appropriate and the school agrees with this decision, the school will consider the use of other support mechanisms, such as early help and pastoral support.
- 30.5. At all stages of the reporting and referral process, the pupil will be informed of the decisions made, actions taken and reasons for doing so. Discussions of concerns with parents will only take place where this would not put the pupil or others at potential risk of harm. The school will work closely with parents to ensure that the pupil, as well as their family, understands the arrangements in place, such as in-school interventions, is effectively supported, and knows where they can access additional support.
- 30.6. If the school is dissatisfied, local escalation procedures will be followed. [8.1 Resolving Professional Disagreements \(Escalation and Conflict Resolution\) \(proceduresonline.com\)](#)

31. Concerns about staff and safeguarding practices

- 31.1. If a staff member has concerns about another member of staff (including supply staff, volunteers and persons who use/hire the school premises), it will be raised with the Principal. If the concern is with regards to the headteacher, it must be referred to the chair of governors.
- 31.2. Any concerns regarding the safeguarding practices at the school will be raised with the SLT, and the necessary whistleblowing procedures will be followed, as outlined in the Whistleblowing Policy. If a staff member feels unable to raise an issue with the

SLT, they should access other whistleblowing channels such as the NSPCC whistleblowing helpline (0800 028 0285).

32. Allegations of abuse against staff and low-level concerns

- 32.1. There are clear policies in line with those from the CSAP (Children's Safeguarding Assurance Partnership) for dealing with allegations against people who work with children.
- 32.2. All allegations against staff, supply staff, volunteers, contractors and any person who may use or hire the school premises, will be managed in line with the trust's Whistleblowing Policy – a copy of which will be provided to, and understood by, all staff at induction. Each school will ensure all allegations against staff, including those who are not employees of the school, are dealt with appropriately and that the school liaises with the relevant parties.
- 32.3. When managing allegations against staff, the school will recognise the distinction between allegations that meet the harm threshold and allegations that do not, also known as "low level concerns". Allegations that meet the harms threshold include instances where staff have:
 - 32.3.1. Behaved in a way that has harmed a child or may have harmed a child.
 - 32.3.2. Committed or possibly committed a criminal offence against or related to a child.
 - 32.3.3. Behaved towards a child in a way that indicates they may pose a risk of harm to children.
 - 32.3.4. Behaved, or may have behaved, in a way that indicates they may not be suitable to work with children.
- 32.4. All staff are aware of these procedures and aware of the following expectations and protocol:-
 - 32.4.1. ALL staff and volunteers are aware that they must refer allegations or concerns around staff (including supply staff) conduct to the headteacher
 - 32.4.2. ALL staff and volunteers are aware of the requirement to, and process of referring allegations or concerns around the Headteacher to the nominated Governor and how to contact them
 - 32.4.3. The Headteacher and/or Chair of Governors will discuss the allegation with the Local Authority Designated Officer (LADO)
 - 32.4.4. CSAP procedures for dealing with allegations against staff will be followed http://panlancashirescb.proceduresonline.com/chapters/p_allegations.html
 - 32.4.5. ALL staff and volunteers remember that the welfare of the child is paramount and that they have a duty to inform the headteacher if any adult's conduct gives cause for concern
 - 32.4.6. ALL staff recognise the importance of sharing and reporting low-level concerns (see below guidance on low-level concerns) surrounding staff or any adult in a position of trust to the headteacher.
 - 32.4.7. ALL staff are aware of the trust's Whistleblowing Policy which enables staff to raise concerns or allegations in confidence and for a sensitive enquiry to take place

- 32.4.8. Staff are fully aware of Guidance for Safer Working Practice 2022 and Staff Code of conduct and are aware of professional expectations of their own behaviour and conduct.
- 32.5. The trust recognises that children may make disclosures against someone who is in a position of trust / is working or volunteering with children, not in the school setting. This may be an adult in a place of worship, a sports coach or a club leader. After ensuring that the child is safe, we recognise that we must refer to the LADO and share information.
- 32.6. **Low Level Concerns.** Each school will ensure that all staff are aware of how to recognise and report low level concerns around staff behaviour or conduct. The term 'low-level' concern does not mean that it is insignificant. A low-level concern is any concern – no matter how small, and even if no more than causing a sense of unease or a 'nagging doubt' - that an adult working in or on behalf of the school or college may have acted in a way that:
 - 32.6.1. is inconsistent with the staff code of conduct, including inappropriate conduct outside of work and
 - 32.6.2. does not meet the harm threshold or is otherwise not serious enough to consider a referral to the LADO. Examples of such behaviour could include, but are not limited to:
 - 32.6.2.1. being over friendly with children
 - 32.6.2.2. having favourites
 - 32.6.2.3. taking photographs of children on their mobile phone, contrary to school policy
 - 32.6.2.4. engaging with a child on a one-to-one basis in a secluded area or behind a closed door, or
 - 32.6.2.5. humiliating pupils.
 - 32.6.3. Each school will promote an open and transparent culture in which all concerns about all adults working in or on behalf of the school or college (including supply teachers, volunteers, contractors or those that have hired/let the premises) are dealt with promptly and appropriately.
 - 32.6.4. The school will strive to embed a culture of openness, trust and transparency in which the school's values and expected behaviour set out in the staff code of conduct are lived, monitored and reinforced constantly by all staff.
 - 32.6.5. The school will ensure that staff are encouraged and feel confident to self-refer, where, for example, they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.
 - 32.6.6. All staff are clear on how to report low level concerns and will be empowered to do so. Staff must report their concerns to the headteacher or DSL. If concerns are surrounding the headteacher, this must be referred to the Chair of Governors. Guidance from Keeping Children Safe in Education, September 2023, will be followed in view of recording and storage of such concerns.

- 32.6.7. If in doubt whether the concern is a low-level concern, the headteacher will consult with the LADO for guidance. The governing body will ensure low level concern procedures and staff behaviour expectations are clearly addressed within the staff code of conduct and procedures are implemented effectively, ensuring that appropriate action is taken in a timely manner to safeguard children and facilitate a whole school approach to dealing with any concerns.

33. Safer recruitment

- 33.1. The trust is committed to keeping pupils safe by ensuring that adults who work or volunteer in school are safe to do so. We therefore ensure that Keeping Children Safe in Education, September 2023, Part 3 guidance is adhered to, to ensure that there is a strong reference and commitment to safeguarding during advertisement, selection and recruitment of new staff.
- 33.2. An enhanced DBS check with barred list information will be undertaken for all staff members engaged in regulated activity. A person will be considered to be in 'regulated activity' if, as a result of their work, they:
- 33.2.1. Are responsible on a daily basis for teaching, training, instructing or the care or supervision of children.
 - 33.2.2. Regularly work in the school at times when children are on the premises.
 - 33.2.3. Regularly come into contact with children under 18 years of age. (Regular is defined as; at least 3 times in a 30 day period.)
- 33.3. The governing board will conduct the appropriate pre-employment checks for all prospective employees.
- 33.4. The school will ensure that:
- 33.4.1. The appropriate DBS and suitability checks will be carried out for all governors, volunteers, and contractors. The DfE's DBS Workforce Guides will be consulted when determining whether a position fits the child workforce criteria.
 - 33.4.2. The original DBS certificate is seen for all appointees to the school, even where the on-line DBS system indicates that the check is clear.
 - 33.4.3. There are sufficient staff/governors who have undertaken appropriate Safer Recruitment training in the last 5 years and reached the required standard as verified by the course facilitators, to enable at least one person on every recruitment panel to be appropriately trained and there are at least 2 people on each selection panel
 - 33.4.4. Written assurances will be obtained from agencies and other employers that provide staff to work in school, to confirm that appropriate pre-employment checks have been undertaken in line with Keeping Children Safe in Education, September 2023
 - 33.4.5. Individual identity checks will be undertaken on those staff detailed above to ensure they are employees of the named agency/employer
 - 33.4.6. Conduct an online search as part of our due diligence on shortlisted candidates. This may help identify any incidents or issues that have

happened, and are publicly available online and will inform shortlisted candidates of this procedure

- 33.4.7. A transfer of control agreement will be used where other agencies/organisations use school premises and are not operating under school's safeguarding policies and procedures. When an issue is declared, advice will be sought from Ofsted about the need to apply for a waiver. If a waiver is necessary, a risk assessment will be carried out and proportionate measures put in place until a waiver has been issued or matters resolved. If it is not resolved, this must be reported:- disqualification@ofsted.gov.uk
- 33.4.8. Advice will be sought from Human Resources, LADO and/or Schools Safeguarding Officers if any staff are unclear about any aspects of Safer Recruitment.
- 33.5. **Referral to DBS.** There is a legal requirement for schools and colleges to make a referral to the DBS where they remove an individual from regulated activity (or would have removed an individual had they not left), and they believe the individual has:
 - 33.5.1. engaged in relevant conduct in relation to children and/or adults, and/or
 - 33.5.2. satisfied the harm test in relation to children and/or vulnerable adults, and/or
 - 33.5.3. been cautioned or convicted of a relevant (automatic barring either with or without the right to make representations) offence.
- 33.6. **Single central record (SCR).**
 - 33.6.1. Each school keeps an SCR which records all staff, including agency, third-party supply staff and teacher trainees on salaried routes, who work at the school, even if they work for one day. The trust holds a central SCR containing information that is easily accessible and recorded in such a way that allows for details for each individual academy to be provided separately, and without delay, to all who need to see it, including Ofsted. The following information is recorded on the SCR:
 - 33.6.1.1. An identity check
 - 33.6.1.2. A barred list check
 - 33.6.1.3. An enhanced DBS check
 - 33.6.1.4. A prohibition from teaching check
 - 33.6.1.5. A check of professional qualifications, where required
 - 33.6.1.6. A check to determine the individual's right to work in the UK
 - 33.6.1.7. Additional checks for those who have lived or worked outside of the UK
 - 33.6.1.8. Any other information deemed relevant.
 - 33.6.2. If any checks have been conducted for volunteers or governors, these may also be recorded on the SCR. If risk assessments are conducted to assess whether a volunteer should be subject to an enhanced DBS check, (with/without a barred list check, depending on whether they are in regulated activity), the risk assessment will be recorded. The details of an individual will be removed from the SCR once they no longer work or volunteer at the school.
