Scheme of Delegation

Aspirational Futures Multi-Academy Trust is a charitable Trust, with the Department for Education as its principal regulator. The Members and the Board of Trustees have legal responsibility and accountability for the Trust, its academies and their performance. This responsibility and accountability may not be delegated, but the Board may delegate duties and decisions to other bodies.

The Articles of Association determine how members and Trustees are appointed and removed, the roles and responsibilities they have, how Trust meetings are held and the powers the Trust has to further its charitable purposes. The Articles of Association can be found on the Trust's website and at Companies House.

This Scheme of Delegation shows which body has delegated responsibilities for these duties and decisions.

The bodies comprise:

- **Members;**
Members have an overview of the governance arrangements of the Trust and have the power to amend the Articles of Association and appoint and remove Trustees. They appoint the auditors and hold the Board of Trustees to account. Their objectives include the advancement, for the public benefit, of education by establishing, managing and developing schools/academies and offering a broad and balanced curriculum.
- **Board of Trustees;**
The Board is the legal governing body of the Trust. They set out strategy and policy in key areas which are then applied within and across all academies within the Aspirational Futures Multi-Academy Trust through the organisational framework and Scheme of Delegation to local governance arrangements. The Company Secretary is Michelle Curtis (CFO). The Board ensures the Trust complies with the Articles of Association, Trust law and charity law. The Board has the power to form committees to carry out specific functions on behalf of the Board or to delegate responsibilities to each individual academy's Local Governing Board. The Board of Trustees holds the CEO to account for the overall performance of the Trust and its schools. As per the Trust's Articles of Association, the Trustees shall appoint the Chief Executive Officer and the Headteachers/Principals of the Academies in the Trust.
- **Chief Executive Officer (CEO)**
The CEO is the Accounting officer and the most senior executive leader in the Trust and has a significant amount of delegated responsibilities. The CEO is accountable to the Board of Trustees and is responsible for the performance of the Trust and the individual academies. Line management of the Executive Leadership Team (unless delegated to another executive leader) and the individual headteachers/principals lies with the CEO. The CEO is expected to implement the strategic priorities of the Board of Trustees, lead growth of the Trust, represent the Trust and oversee all operations of the Trust.

Scheme of Delegation

- Executive Leadership Team
 - Chief Executive Officer (CEO)
 - Chief Financial Officer (CFO)
 - Chief Operating Officer (COO)
 - Trust Network Manager
 - Trust Human Resources Manager

- Local Governing Board (LGB)

Each school within the Trust has its own LGB with certain responsibilities delegated to it by the Trustees. Governors serving on the LGB will only consider their respective school and work alongside the headteacher/principal on school improvement priorities. Governors will be required to challenge senior leaders within their respective schools, attend pupil disciplinary meetings and be involved in any complaints lodged against the school. Recommendations from the LGB may be made to the Board of Trustees in line with this Scheme of Delegation.

- Academy Leadership

Every school in the Trust will be led by its own senior leadership team and headteacher/principal. They have responsibility for the daily operational management of the school and comply with the Trust's policies, procedures, ethos and values. If a new school wishes to join our Trust, it is expected that the senior leadership team would remain the same, unless the school is being sponsored by the Trust. As a sponsor, Aspirational Futures may take on schools judged as *requires improvement* or *inadequate* by Ofsted. The leadership of a sponsored school will be decided by the CEO in consultation with the Board of Trustees and this Scheme of Delegation clearly shows how the headteacher/principal will work in consultation with the CEO. The CEO will decide when the sponsored school's senior leaders have the capacity to take on greater responsibility and autonomy, such as sustained evidence of improvement or following an Ofsted inspection when the school is judged to be *good* or better.

The delegated responsibilities for duties and decisions are broken down into different levels in line with the Trust's principles of governance. The delegated autonomy for individual academies is aligned with the need for the Trust to fulfil its corporate responsibilities and accountabilities to the Department for Education, Education & Skills Funding Agency, Charity Commission, HMRC, Companies' House as well as to our pupils, students and their parents and carers and the wider communities of academies.

The different levels of delegated duties and decision making are listed below, but it should be noted that not every task requires all levels of delegation to be defined:

- Responsible (R)
- Accountable (A)
- Consulted (C)
- Informed (I)

The Scheme of Delegation should be read in conjunction with the Terms of Reference for the relevant body. While the Scheme is designed to be comprehensive it will not cover every task.
