 - 4.1.1. A stable careers programme

- 4.2. Each school will demonstrate how it is working towards each Gatsby Benchmark, as part of its careers summary, including the aims, objectives and activities provided for each year group.
- 4.3. Regular feedback from pupils, parents, teachers, governors and employers will be invited. Feedback will be used to contribute to the development of the school's careers programme to ensure it meets the needs of all pupils.
- 4.4. A careers leader will be appointed to ensure the leadership and coordination of a high-quality careers programme.

- 4.7. Each school will work towards the [Quality in Careers Standard](#) to support the development of its careers programme, ensuring the programme is reviewed termly to ensure it is in line with the required standards.

5. Using labour market information

- 5.1. The trust will ensure all requirements to meet 'Benchmark 2: Learning from career and labour market information' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).
- 5.2. The trust will ensure every pupil, and their parents, has access to high-quality information about future study options and labour market opportunities. Pupils and their parents will be referred to an informed advisor to help them make best use of the information available.
- 5.3. The trust will ensure pupils and their parents understand the value of finding out about the labour market, and support them in accessing this information. Pupils and their parents will be provided with information on the benefits of understanding the labour market, including the salaries and promotion opportunities for different jobs, and the volume and location of vacancies across different sectors.
- 5.4. The trust will ensure that all pupils, by the age of 14, have accessed and used information about career paths and the labour market to inform their own decisions on study options. Pupils will be provided with the necessary links and information that will enable them to access this. Access will be monitored to review whether pupils are making the most of the service, and if not, what can be done to ensure they do.
- 5.5. Parents will be encouraged to access and use information about labour markets and future study options to inform their support to their children.
- 5.6. The trust will make use of local enterprise partnerships to provide pupils with presentations and workshops on the local labour market and employer expectations. The information provided through the partnership will be used to shape career guidance and workshops in schools.
- 5.7. To support social mobility, the trust will work to raise pupils' aspirations and tackle stereotypical assumptions. Interventions will be used to tackle gender stereotypes; arrangements will be made for pupils to talk to employees who work in non-stereotypical jobs to raise awareness of the range of careers that STEM qualifications lead to.
- 5.8. The trust will use labour market information, such as job roles, pay and vacancies, to inform pupils about the trends and opportunities in each industry. Information about a diverse range of progression pathways will be shared with pupils, including technical routes, to strengthen their capacity to make effective choices.

6. Addressing the needs of pupils

- 6.1. The trust will ensure all requirements to meet 'Benchmark 3: Addressing the needs of each pupil' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).
- 6.2. Each school's careers programme will aim to raise the aspirations of all pupils whilst being tailored to individual needs. The programme will inform pupils of the range of opportunities available to them, encouraging them to aim higher and make choices relevant to what they feel they can achieve.

- 6.3. All forms of stereotyping will be prohibited in the careers advice and guidance that is provided, to ensure pupils of all genders, backgrounds and abilities can consider the widest possible range of careers. The school's careers programme will actively seek to challenge stereotypical thinking and raise aspirations.
- 6.4. Each school will tailor careers activities and educational goals to the needs of each pupil, taking into account their prior knowledge and skills, the choices they may face, and any additional support they may need to overcome barriers to progression.
- 6.5. Comprehensive and accurate records will be kept to support the career development of individual pupils at all relevant stages of education, beginning from the first point of contact. These records will be stored securely in the careers office. Access to this information will be permitted, should a pupil or their parent request it.
- 6.6. Destinations data will be retained by the school for at least three years after a pupil has left school. This data, e.g. the percentage of pupils attending sixth form in the following term, will be published on the school's website alongside the school's careers programme.
- 6.7. Data retained will be collected, stored and managed in line with the Data Protection Policy and Records Management Policy.
- 6.8. The trust will collect and analyse destinations data to assess how well the careers programme is countering stereotypes and raising aspirations. The data will be reviewed by the trust and careers leader who can then base further development of each school's career guidance plan on the results and areas of success or failure.

7. Providing targeted support

- 7.1. The trust will work with the LA, children's social care and VSHs to identify pupils who are in need of targeted support or those who are at risk of not participating in post-16 pathways, such as:
 - 7.1.1. LAC and PLAC.
 - 7.1.2. Care leavers.
 - 7.1.3. Pupils from Gypsy, Roma and Traveller backgrounds.
- 7.2. Agreements will be made on how these pupils can be referred for support drawn from a range of education and training support services available locally. The trust will share the relevant data on these pupils with the LA and local education and training providers where support costs may be required, such as care leavers and pupils who are eligible for FSM.
- 7.3. The school will work in partnership with their commissioning schools and LAs as well as post-16 providers to provide support and advice on transitional pathways into FE or training.
- 7.4. The trust will ensure that pupils understand the programmes available to support them and the financial costs associated with staying in post-16 FE. To support pupils who are likely to need support with post-16 participation costs, such as those with SEND, the trust will work with the LA and local post-16 education or training providers to share pupil data and ensure these pupils receive such support.
- 7.5. Pupils will be made aware of the 16-19 Bursary Fund, which has been devised to support those individuals with financial hardship. They will be advised of how to

access this funding and who they should speak to in order to find out more information.

8. Supporting pupils with SEND

- 8.1. The trust will ensure that careers guidance is differentiated, if appropriate, and based on high aspirations and a personalised approach. The SEND local offer will be utilised; annual reviews for a pupil's EHC plan will be informed by good careers guidance.
- 8.2. The careers leader will work closely with the SENCO and other staff to support pupils with understanding different career pathways and how to develop the necessary skills, knowledge, experience and qualifications to succeed and fulfil their potential. The school will work with families of pupils to help them understand what career options are available.
- 8.3. Surveys will be conducted to find out individual pupils' aspirations. The results of the surveys will create careers guidance and experience that will be tailored to pupils' needs based on their own aspirations and abilities.
- 8.4. Careers guidance will take account of the full range of relevant education, training and employment opportunities. It will inform pupils about the ways employees with SEND are supported in the workplace. Guidance will focus on a pupil's career aspirations and the post-16 options which are most likely to give the pupil a pathway into employment or HE.
- 8.5. The trust will build partnerships with businesses and other employers, employment services, and disability and other voluntary organisations. Pupils will be prepared for encounters with employers and provided with any special support that will allow them to benefit fully from the experience.
- 8.6. Pupils with SEND will have the opportunity to hear from adults with disabilities who have succeeded in their careers as part of the school's successful careers strategy.
- 8.7. When arranging work experience for pupils, each school will work with the employer to determine any additional support that will be needed during the work placement.

9. Linking curriculum learning to careers

- 9.1. The trust will ensure all requirements to meet 'Benchmark 4: Linking curriculum learning to careers' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).
- 9.2. The trust will work to encompass careers education and guidance into subjects across the curriculum. All teachers will be asked to support the career development of young people in their role and through their subject teaching. Teachers with industry experience will play a part in building careers guidance into the curriculum.
- 9.3. Pupils will be taught to understand how their GCSE subjects provide a sound basis for many careers, as well as how they can enrich and enhance their lives and prepare them for adult life in general. Careers, employability, and enterprise lessons will be embedded into the PSHE curriculum.
- 9.4. Pupils will be informed that if they do not achieve a grade 4 or higher in GCSE maths and English by the end of KS4, they will be required to continue working towards this aim as part of their 16-19 study programme.

- 9.5. The trust will ensure that, by the age of 14, every pupil has had the opportunity to learn how various STEM subjects aid their entry into a wide range of careers and enable them to be more effective workers. The same will be applied for every pupil in their chosen subjects by the end of their course of study. The Careers and Enterprise Company (CEC) have collaborated with STEM Learning to produce a series of [STEM toolkits](#).

10. Enabling encounters with employers and alumni

- 10.1. The trust will ensure all requirements to meet 'Benchmark 5: Encounters with employers and employees' as outlined in the DfE's '[Careers guidance and access for education and training providers](#)'.
- 10.2. The trust will engage with local employers, businesses and professional networks, inviting visiting speakers, particularly alumni with whom pupils can relate to. Every pupil will be exposed to the world of work by the age of 14.
- 10.3. Every year, from the age of 11, pupils will participate in at least one meaningful encounter with an employer; at least one of these encounters will be with a STEM employer or workplace. These encounters will include:
- 10.3.1. Careers events such as careers talks, careers carousels and careers fairs.
 - 10.3.2. Alumni activities.
 - 10.3.3. Transitions skills workshops such as CV workshops and mock interviews.
 - 10.3.4. Mentoring and e-mentoring.
 - 10.3.5. Employer delivered employability workshops.
 - 10.3.6. Employer encounters with parents.
 - 10.3.7. Employer involvement in the curriculum.
 - 10.3.8. Business games and enterprise competitions.
- 10.4. The careers programme will have a strong employer focus, allowing pupils to meet with sector representatives and businesses, to gain insights into a range of industries and sectors. This will include the opportunity to learn about the entrepreneurial skills needed for certain types of self-employment. Pupils will have the opportunity to meet with individuals from different levels within an organisation and those who have followed a variety of pathways into employment.

11. Providing work experience

- 11.1. The trust will ensure all requirements to meet 'Benchmark 6: Experiences of workplaces' as outlined in the DfE's '[Careers guidance and access for education and training providers](#)'.
- 11.2. The trust will ensure that all pupils have had at least one first-hand experience of a work place by the age of 16, in addition to any part-time jobs they may have.
- 11.3. The trust will encourage pupils to experience a wide variety of workplaces and support them to plan for, reflect upon, and learn from these experiences.
- 11.4. Work experience will be designed to meet the needs of individual pupils, with particular consideration for pupils with SEND and those from disadvantaged backgrounds. Each school will carefully match the placement to each pupil's ability, needs and aspirations. The school will work with the employer to put in place

additional support within the work placement for pupils with additional needs, where required, and help prepare the pupil for the work placement.

12. Enabling encounters with further education (FE) and higher education (HE)

- 12.1. The trust will ensure all requirements to meet 'Benchmark 7: Encounters with further and higher education' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).
- 12.2. The trust will ensure all pupils understand the requirement to remain in education or training until their 18th birthday and what this requirement means for them. The trust will ensure pupils are aware that this does not mean they need to stay in school, and that they may:
 - 12.2.1. Study full time in a school, college or with a training provider.
 - 12.2.2. Undertake an apprenticeship, traineeship, or supported internship.
 - 12.2.3. Work or volunteer 20 hours or more a week, combined with part-time accredited study.
- 12.3. The trust will provide pupils with a range of information and opportunities to learn about the academic and technical pathways for education, training, and career paths throughout their school life, to prevent last minute decision-making. The trust will not present HE more favourably compared to FE or other technical routes, nor will it disproportionately promote its own sixth form over other options.
- 12.4. By the age of 16, every pupil will be provided with the opportunity to have a meaningful encounter with providers of educational opportunities, including sixth forms, colleges, universities and apprenticeship providers.
- 12.5. Pupils will be encouraged to use information tools, such as websites and apps, which display information about opportunities, such as the National Careers Services' [Find a Course](#). Education and training providers will have access to all pupils in Years 8 to 11 for the purpose of informing them about approved technical education qualifications and apprenticeships.
- 12.6. The trust will ensure that there are opportunities for providers to visit the school and speak to pupils in Years 8 to 11 by maintaining connections with providers of FE and apprenticeships, and arranging regular visits, presentations and workshops. A range of opportunities for visits from providers offering other options, such as FE will also be provided.

13. Providing personal guidance

- 13.1. The trust will ensure all requirements to meet 'Benchmark 8: Personal guidance' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).
- 13.2. Careers advice provided by each school will be unbiased and maintain the best interests of individual pupils at all times. Each school **will not** promote particular career or progression routes as better or more favourable than others; however, pupils will be advised, where evidence supports it, whether a chosen course has the potential to lead to poor career outcomes.

- 13.3. All pupils will be provided with opportunities for personal guidance interviews with a qualified careers adviser. Such interviews will take place by the time the pupil reaches age 16, with the opportunity for a further interview by the age of 18.
 - 13.4. Careers advisers will meet the professional standards outlined by the [Career Development Institute](#). The trust will integrate personal guidance interviews within the pastoral system so that they can be followed up by the form tutors or equivalent.
 - 13.5. Careers advisers working with pupils with SEND will use the outcome and aspirations in the EHC plan to focus discussions, where they have one. Careers advisers working with LAC or care leavers will use their personal education plan to focus discussions. These pupils will have a named adviser who will build a relationship with them to better understand their individual needs.
14. **Sharing information**
- 14.1. The trust will provide the relevant information about all pupils to the LA support services including:
 - 14.1.1. Basic information, such as the pupil's name or address.
 - 14.1.2. Other information that the LA requires to support the pupil to participate in education or training to track their progress.
 - 14.2. Pupils with SEND will have their data monitored by the LA up until the age of 25.
 - 14.3. The trust's privacy notice will offer pupils and their parents the opportunity to ask for personal information not to be shared.
 - 14.4. LAs will be notified, as early as is possible, whenever a 16- or 17-year-old pupil leaves an education or training programme before completion. The trust will agree on local arrangements for ensuring these duties are met.
15. **Compliance with legal duties and statutory guidance**
- 15.1. Where someone has a complaint about a school's careers provision, such issues will be handled locally in accordance with the trust's Complaints Procedure. All complaints will be easy to submit and considered impartially.
 - 15.2. Under Section 42B of the Education Act 1997 and the Skills and Post-16 Education Act 2022, the trust has a duty to provide pupils in Years 8 to 13 with access to providers of post-14, post-16 and post-18 education and training. This will provide pupils with additional information about approved technical qualifications and apprenticeships, enabling them to build a picture of the kind of training that may suit them best, ultimately reducing the risk of them dropping out of courses.
 - 15.3. All pupils in Years 8 to 13 will receive at least six encounters with accredited providers of technical education and apprenticeships. These encounters will be divided accordingly:
 - 15.3.1. In Year 8 or between 1 September and 28 February during Year 9, all pupils must attend two mandatory sessions by accredited providers
 - 15.3.2. In Year 10 or between 1 September and 28 February in Year 11, all pupils must attend two mandatory sessions by accredited providers
 - 15.3.3. Every year, alongside their study programme, students in colleges should participate in at least two meaningful encounters with an employer

- 15.4. The trust will ensure that providers provide the following information to pupils and parents:
 - 15.4.1. Information about the provider and the technical qualifications and apprenticeships that they offer
 - 15.4.2. Information about the potential careers to which those technical qualifications or apprenticeships might lead
 - 15.4.3. What learning and training with them is like
 - 15.4.4. Any answers to questions that pupils and parents may have
- 15.5. The trust will ensure that provider visits are available to all pupils in the relevant year group and will not do anything which may limit the ability of pupils to attend. The school will not, under any circumstance, restrict invitations to selected groups of pupils or hold events outside of normal school hours.
- 15.6. The trust will prepare a policy statement which sets out the circumstances in which education and training providers will be given access to students. This policy statement will be published on the school website and will include:
 - 15.6.1. Details on how the trust will meet the legal requirement to provide six encounters with providers between Year 8 and 13.
 - 15.6.2. Any procedural requirements in relation to requests for access, e.g. the main point of contact at the school to whom requests should be directed.
 - 15.6.3. Grounds for granting and refusing requests for access, e.g. details of timetabled careers lessons, assemblies or careers events which providers may attend.
 - 15.6.4. Details of premises or facilities to be provided to a person who is given access, e.g. rooms and resources.
 - 15.6.5. How the trust will work with each visiting provider.
 - 15.6.6. A list of providers who have previously visited the trust.
 - 15.6.7. Destinations of previous pupils.
 - 15.6.8. Details about live online encounters with providers.
 - 15.6.9. Information on how a provider can raise a complaint and the procedure to go through.
