

Keys Stage 4 College Information Morning 2019

08/09/19

Dear Parents & Carers,

I would like to invite all parents and carers of Key Stage 4 pupils to a college information morning on the **17/10/19** (Thursday).

To help support you and your child in researching and deciding what are going to be the best next steps for your child, we have visited the main Post-16 providers in the area and identified how they support their pupils so we can share this information with you.

The event will take place at Astley Park School at **10.30am** for 1 hour in the style of 'speed dating'. At the event you will be able to ask our staff any questions about what opportunities and support these local colleges offer. There will be refreshments available and the event will be a relaxed, friendly and informal way to gather information with support of staff and other parents.

If you wish to attend, please complete the reply slip below and return to school at the earliest convenience. If you have any more questions about the event, please don't hesitate to email me or phone me before or after the school day. Alternatively, if you are unable to make the event and wish to discuss the post 16 options please let your child's class teacher know.

I look forward to your response.

Joseph Massey

Key Stage 4 Tutor
