

# Summer Term Activity Bank

## Communication, Language and Literacy

**Imaginative Story Fiction:**  
listen to or read a chosen story  
<https://stories.audible.com/discovery>.  
Create a character profile from the story.

### Using the internet

Explore locations on Google Earth. Find 5 places you would like to visit.  
Choose a favourite place and create an online poster, presentation or paper factsheet.  
Use email to send Mr Buckley your work.  
Use Purple Mash to communicate with class staff about what you have found.

## Understanding of the World Today's News

Produce a video, poster or online presentation on how to keep yourself healthy at home based on current news.

Find ways that can relax you during a challenging situation.

## Personal, Social and Development Skills

A healthy lifestyle:

Keep a home diary of food, exercise and personal hygiene.

Record either on paper or online including photos and drawings.

Be as creative as you like!

## My Thinking & Problem Solving

### Maths in Everyday Life:

#### Weighing and Cooking

Prepare drinks, snacks and meals, using jugs, cups and spoons to measure liquids and dry ingredients.

Calculating the amount of ingredients for multiple recipes.

Estimate amount of food needed for e.g. grated cheese for cheese on toast.

Weighing ingredients required for a recipe.  
Record by photo or video and send to Mr Buckley.

## Work Related Learning

**Understanding work:**  
Research jobs online and by talking to your family.

Identify jobs that you would and would not like to do.

Fill in a practice application for your favourite job.

## My Online Community

Look at some risks of communicating online with someone you don't know well.

Talk with your parents or carers about when people talk online, it is different to talking face to face and that sometimes people act differently online.  
Complete quiz.
