Foundation Learning at Cardinal Newman College

[Apply for Foundation Learning >](#)

Our focus is to prepare students for adulthood and their chosen aspirations after Newman.

We aim to provide a broad curriculum that will not only enhance their current skills but provide opportunities to develop new skills that they can apply into their everyday life.

Support all our students to become as independent as possible that will allow them to lead a happy and fulfilling life. <https://www.cardinalnewman.ac.uk/>
