

8th September 2021

Dear Parents and Carers,

I am pleased to inform you that we will be introducing a Breakfast Club from 8.00am to 8.45am every Tuesday and Thursday during term-time. Pupils will be supported by experienced Astley Park members of staff and will be able to choose from a selection of cereals, fresh fruit, yoghurts and toast. Milk and orange juice will also be available.

The cost to parents will be £4 per day, which is non-refundable and must be paid through Parent Pay. Places will be limited and only confirmed when payments have been received. Bookings will need to be made at least 7 days in advance.

To help us to make the final arrangements before we can start to accept bookings, please complete the Microsoft form by clicking on the link below by Monday 13th September to let us know if you are interested. We will then contact those of you who are interested by email to confirm the start date and any further information we require. If the demand for places is low, we may be able to start the club shortly, however if there is a lot of interest we would potentially start in October when school-based restrictions will be reviewed.
