Update Letter

Dear Parents & Carers,

I hope my letter finds you all safe and well and that you all enjoyed the break.

We received a communication from the DFE late on Friday 01 April, stating that all guidance to schools had been removed and we were now to follow the recommendations outlined in the living with COVID announcement.

The recommendations are as follows:

- Adults with the symptoms of a respiratory infection, and who have a high temperature or feel unwell, should stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature.
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend.
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious
- For children and young people aged 18 and under with a positive COVID-19 test result, the advice is 3 days.

All our previous Covid 19 measures have now been removed as we work towards retuning to a new normal and learning to live with the disease.

If you have any questions, please don't hesitate to get in touch.

Please note I am away supporting the Year 7 and Year 10 pupils on their residential activity holiday at Calvert Trust this week, so there will be no Headteacher letter this Friday.

Take care & keep safe 

Kieran Welsh
Headteacher
