Sometimes things change

This = means it will be = different.
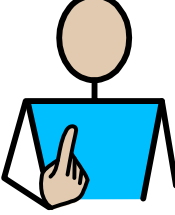

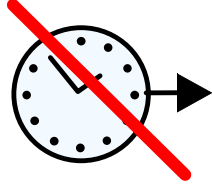

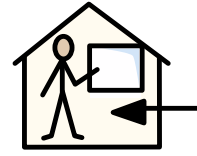

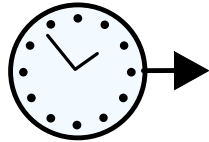

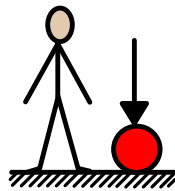

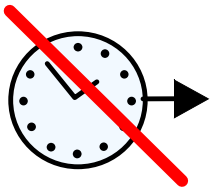

This is to keep me
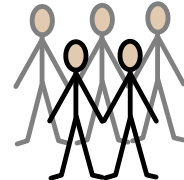

safe.

I will not be going in school

I will stay at home
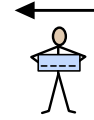

I will not be visiting people

This is to keep me safe

I am staying at home because of a virus called Covid
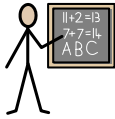

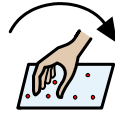

**19** 19 that might make us feel sick
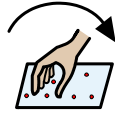

My teachers are trying to keep it away so we
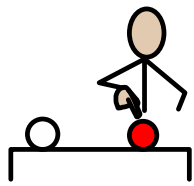

don't feel sick.
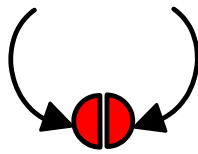

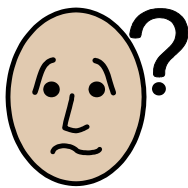

My family are trying to keep it away so we
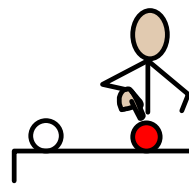

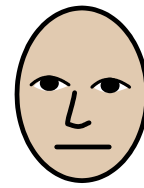

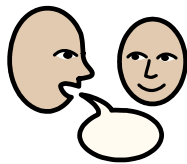

don't feel sick .
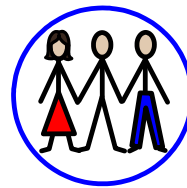

This might make me feel worried confused or scared this is ok.
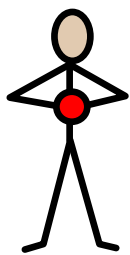

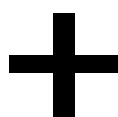

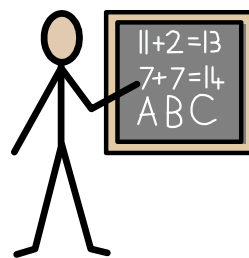

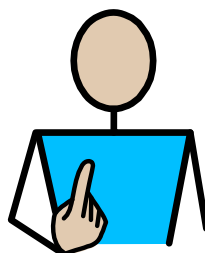

I can tell my family if I feel this way and this might help.

My family and Teachers

might ask me to do
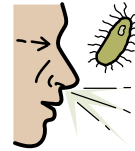

my work at home

This is ok

I can help keep the virus away
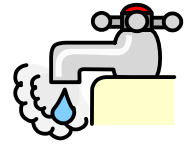

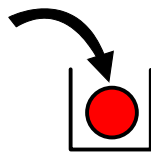

I can wash my hands with soap and warm water.

I can sneeze into a tissue and put it
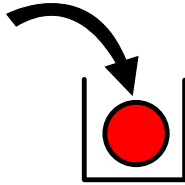

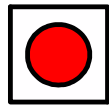

in the bin then wash my hands
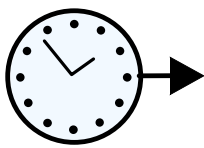

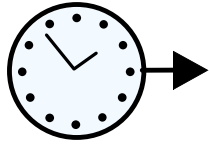

I can cough into a tissue and put it in the bin then wash my hands
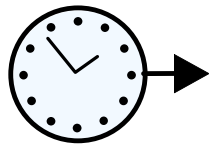

This will help keep me safe.
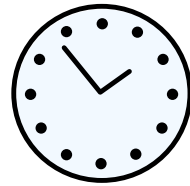

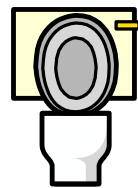

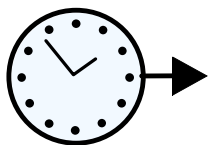

I will wash my hands before I

eat.
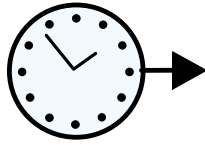

I will wash my hands when i

have been to the toilet

This will keep me safe
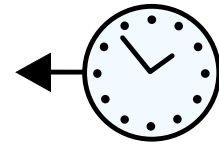

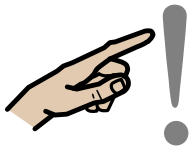

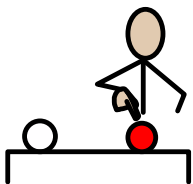

My teachers will tell my family when the virus has gone away and I can go back to school.

This is to keep me safe.
