Acceptable Use Policy

ICT and the related technologies such as email, the Internet and mobile devices are an integral part of our daily life in school. This agreement is designed to ensure that all Staff, Governors and Volunteers are aware of their individual responsibilities when using technology. All staff members and Governors are expected to sign (digitally) this policy and adhere at all times to its contents. Any concerns or clarification should be discussed with the headteacher.

This Acceptable Use Policy is intended to ensure:
