Volunteers Policy

1. Introduction

Volunteers enhance the learning opportunities of pupils at Astley Park School by contributing a range of skills and experience. We welcome volunteers, including members of the Governing Body, students on work experience, local residents and others, who wish to work with our pupils on a regular basis.

All adults who work in our school, including volunteers, have an absolute duty to promote and safeguard the welfare of children in the school, and to fulfil the expectations detailed below.

All prospective volunteers will be interviewed by a member of the Senior Leadership Team before permission is granted to work in the school.

Volunteers are provided with the Guidance Sheet (*Appendix 1*). Prospective volunteers are required to complete the Volunteer Information Sheet (*Appendix 2*) and must sign to confirm that they have read and agree to abide by the Volunteer Policy (*Appendix 3*).

2. Expectations of volunteers

• Confidentiality

All adults in school, including volunteers, are bound by a code of confidentiality. Any concerns that volunteers may have about individual pupils should be voiced with the Deputy Headteacher and NOT with any person outside the school. Volunteers who have concerns arising from the behaviour of any adults in the school should discuss the matter with the Deputy Head Teacher.

• Supervision

All volunteers work under the supervision of the teacher of the class to which they are assigned. Volunteers should not be asked to work 1:1 and must be supported by the class teacher or TA. Teachers retain responsibility for pupils at all times, including behaviour and the activity they are undertaking. Volunteers should have clear guidance from the teacher as to how an activity is carried out / what the expected outcome of an activity is. Volunteers are encouraged to seek further advice / guidance from the teacher in the event of any query / problem regarding children's understanding of a task or behaviour.

• Health & Safety

The school has a Health & Safety Policy, and this is available on the school website. Volunteers working in the school MUST read it prior to starting their placement. Teachers to ensure that volunteers are clear about emergency procedures (e.g. fire alarm evacuation) and about any safety aspects associated with a particular task (e.g. accompanying children on visits).

Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the teacher or site manager.
