Discussed the upcoming teacher interviews and as a group the school council created a set of 10 questions.

1. Have you worked in a school before?
2. Why would you like this job?
3. What's your name
4. What's your favourite subject?
5. I don't like math lessons; how could you make them fun?
6. What's been your favourite job?
7. What's different between this school and any other?
8. If you could take us on any trip for fun, where would you take us and why?
9. What's your hidden talent?
10. Would you like to ask us anything?

AOB

11R- Can classes be told of any dates for the Reward visits, including any that have been rearranged.
