

Colours

Colour	Working open hand (palm forward, pointing up) moves down in wavy line.
Orange	Working full 'C' hand (palm forward, pointing up) makes squeezing action by side of mouth
Gold	Fingerspell 'G'; then working hand springs up changing to open hand (palm back, pointing in/up)
Grey	"Working little finger hand rests on supporting fist (palms in/back, pointing forward/in) and makes small inward circle maintaining contact"
Pink	Working extended index (palm back, pointing up) touches lips, then moves down to flick across supporting hand (palm up, pointing forward)
Purple	Fingerspell 'P' twice with slight forward flick
Silver	Fingerspell 'S'; then working hand springs up changing to open hand (palm back, pointing in/up)
Blue	Working index indicates vein on back of relaxed supporting hand
