30th October 2017

Dear Parents

Welcome back to the new half term. It was good to see our pupils arrive back after their holiday and ready for their learning. Our pupils' attendance rose to a high level over the last half-term. This is good news because if pupils come to school each day, they will make better progress. I also hope you found the recent Parents' Evening meetings helpful.

Appointments

Please do not book doctor, optician or dentist appointments during the school day. Please book these at weekends, during school holidays, after school or on a Friday afternoon. However, pupils should attend any hospital appointments but please bring the appointment card or letter to show us before we can give permission.

Remembrance

Once again we will have a remembrance assembly theme. This will be held next week. For the next two weeks, pupils can bring 20p to school to buy a poppy.

Safe on-line and with modern technology

This week we have special lessons on how children should keep safe on the internet or when using mobile phones. Children should not have Facebook, Snapchat or other social media accounts until they are 13 years of age. Having them can put pupils at risk and sometimes children can find it easier to behave in an unkind manner towards one another when using social media. Finally, children **should not** bring mobile phones with them to school.

Best wishes

Jonathan Moore

Headteacher
