Dear Parents,

As part of this lockdown, most pupils will learn remotely and stay at home. Children are critical workers and vulnerable children will come to school. Guidance does state that if you CAN keep your child at home with another parent or carer then you should do so. This is because it is currently considered safer than sending your child to school.

If you think you are a critical worker, cannot keep your child at home with another parent and adult to take part in remote learning, please apply for child care through:

I am also informing you of the following:

- We may not be able to guarantee care every week, or each day. During this lock down we have fewer staff available, as our teachers will all be teaching lessons and not providing child care as in the first lockdown. If members of the child care team are absent, we may not always be able to find cover to provide care for your child.
- We may not always be able to ensure children in Reception to Year 6 take part in Google Classrooms each day if they attend child care. Therefore, if they can be cared for at home, then we would recommend this to ensure that they take part in all lessons.
- There will be no child care provided on Friday afternoons.
- If numbers rise, we may have to reprioritise, using the information you have provided to offer places for future provision.
- We will review all placements if there are changes to the critical worker criteria.

Yours faithfully,

Jonathan Moore
