Dear Parents.

Next Friday is Red Nose Day. Your child does not need to wear their school uniform on that day if they make a £1 donation through the school to Comic Relief. Pupils should wear something red such as a red nose (school won't be selling them) a red item of clothing, red face paint or even a red wig! Children won't be able to wear red noses during lessons but can at playtimes and when they come to school. School will collect the £1 donations and all money raised will be sent to the Comic Relief Charity [www.comicrelief.com](http://www.comicrelief.com) We will let you know how much we raise.

Yesterday all parents were sent a text to activate their Parent Pay accounts. If you haven't already done so, please do it now so you can pay for trips, school meals, uniform and breakfast club.

Best wishes,

Mr Moore
