The School Council play an important job in letting staff know about how well our school is doing in the eyes of our pupils. They collect ideas in lesson and then share them at the School Council meetings with the help from Mrs Rai-Moore. Many of their ideas have been used to improve our school.

# Mandarin at Aston Tower School

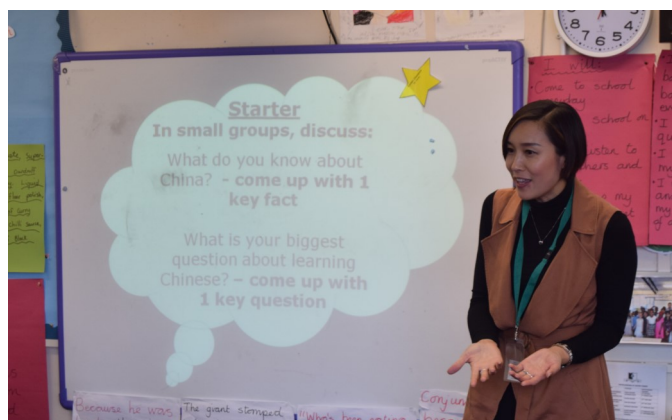

Mrs Liu

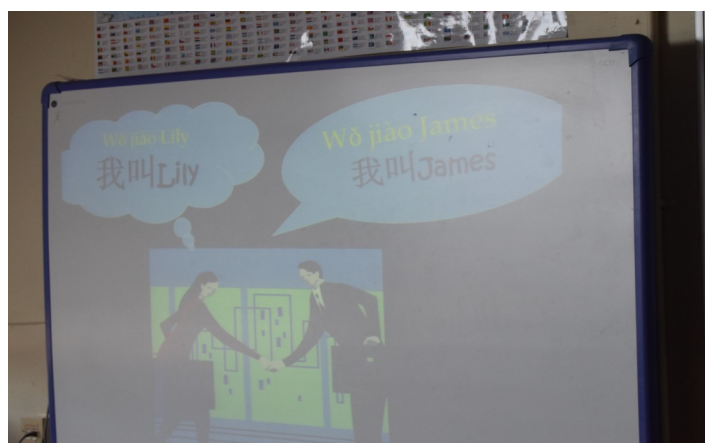

We are delighted to welcome Mrs Liu to Aston Tower. Thanks to our partnership with King Edward (VI) Aston School, Mrs Liu is teaching Mandarin to our pupils for two days a week. In these lessons, pupils in Years 3 to 5 are learning to speak, read and write with Mandarin characters. Ask your child about how much Mandarin they have learnt. Can they teach you some simple phrases. Later in the school year, Mrs Liu will help us with our Chinese New Year celebration.
