Q&A with MP Shabana Mahmood

It was great to welcome back Shabana Mahmood MP to Aston Tower. She was pleased to find the time to meet with School Council. It was an enjoyable meeting in which Councillors asked her lots of questions about improving Aston, Teresa May, why she joined the Labour Party, life in Parliament, her family and even Brexit! Shabana said that although the questions were often hard to answer, they were very well thought through. School Councillors had thought very carefully about their questions and took in turns to ask them.

Thanks to [@astontowerpri](#)'s School Council who gave me a good grilling during our Q&A session this morning - fantastic questions!

Everything from Brexit, my role as their MP, to how they can get involved in our democracy. They'd give [@PatrickBurnsBBC](#) a run for his money!

Shabana answering lots of questions

School meals are changing

We are keen to improve our school meals and have invited three companies to bid for the school meal contract at Aston Tower. This involved School Council tasting food provided by the three companies and we were very impressed by the improvements offered. Each child will soon be able to have a delicious and very healthy meal each day. Next term school dinners will be provided by a new contractor called SIPS. Shortly we will have taster sessions for parents and we are sure you will be very impressed. Below are pictures of School Council helping to decided which company we want to make our school dinners.
