Making our buildings better

We keep on improving our site so it is a great place for our children to learn and play. This summer we have refurbished four classrooms (5Z, 5O, 4S and 1H) with new carpets and painted the walls. The dining hall has also been redecorated. Earlier in the year we put in a bid to the Government and was given £500,000 to improve parts of our building. We have replaced our fire doors, have a new fire alarm and are now having a new roof. School looks really nice as a result.

Good attendance

We are closely checking every child's attendance. Please make sure you child comes to school every day. This year, all schools will be asking the council to fine parents of a child whose attendance is not good. Therefore, get your child into school every day. If your child is very sick and cannot come to school, please ring the office before 8:45am and leave a message on our answer phone. Please also make sure your child comes to school on time. School begins at 8:35am for children in Years 1 to 6 and 8:40am for Nursery and Reception. If your child waits with a teaching assistant in the playground, then they are late. Please get them to school on time. We are doing lots of things to encourage good attendance. Each week, the class with the highest attendance will be announced in an assembly and given a trophy and the attendance bear to keep in their classroom for a week. Each child in the winning class will also be given a special certificate.

The class who have the highest attendance each month will be given a special badge to wear which they should do each day. They will need to return the attendance badge at the end of the month. We will share with you some other prizes soon.

Well done to the children and parents of 1H, Miss Harrington's class who were the best attending class in September.

Parents' Evening

Our autumn term Parents' Evening will be held on Wednesday 19th October and Thursday 20th October from 3:45pm until 5:30pm. This will be for parents of pupils in Reception to Year 6. Parents' Evening for pupils in the Nursery will be held in November. This will give you the chance to meet with your child's teacher and look at the work your child has been doing. Soon you will receive a letter to book your appointment. Please make sure you attend.

New pupils

We welcome all of the new pupils in our school who have joined us in our nursery, reception classes, and in any other year groups. Aston Tower keeps being a popular school. If you know someone who would like a place, please get in touch.
